

If you require any assistance, you can speak to our customer service team directly via phone on **1300 552 255 (AU)** or **0800 003 329 (NZ)**, or via email at **customer@mercator.com.au**

You can also visit **ikuu.com.au** to access troubleshooting guides and advice on how to get the most from your Mercator Ikuü products, such as guides on scenes and automation.

1 Set Up the App

1. Download the Mercator Ikuü app.
2. Tap 'create new account' or 'log in to account'.
3. Follow the in-app prompts and tap 'OK'.

2 Connect to the App

To connect your sensor to the app, you must first enter pairing mode. All Mercator Ikuü Wi-Fi products require a 2.4GHz Wi-Fi network.

Activate Pairing Mode:

1. After your sensor has been installed by a licensed electrician, make sure that the sensor is turned on at the switch.
2. Press and hold the reset button for 5 seconds. The red indicator within the sensor lens will start to blink rapidly.

2 Connect to the App (Cont.)

Pairing Your Sensor:

1. Open the Mercator Ikuü app.
2. Tap + > Add Device > Wiring Accessories, and then select your sensor.
3. When the sensor indicator is blinking, tap 'indicator is rapidly blinking'. The pairing process will start, which will add your sensor to the app.
4. Once pairing is complete, you can edit your sensor's name (optional).
5. To finish the pairing process, tap 'done'.

Note: If the pairing process doesn't work, and you are certain that the password for your 2.4GHz Wi-Fi network is correct, try pairing in AP mode. Refer to our website for details.

3 Voice Assistant Setup (Optional)

Google Assistant

1. Open the Google Home app and sign in to your Google account.
2. Tap + and select Set Up Device > Have Something Already Set Up?
3. Select Mercator Ikuü from the list or type Mercator Ikuu in the search bar.
4. Type in your Mercator Ikuü login details.
5. Tap Link Now > Authorise.

Amazon Alexa

1. Open the Amazon Alexa app and sign in to your Alexa account.
2. Tap More > Skills & Games.
3. Search for Mercator Ikuü and tap 'enable'.
4. Enter your Mercator Ikuü account details and tap 'link now'.

explore the range

Want more Mercator Ikuü? Visit **ikuu.com.au** to explore our whole range of smart products!

app features

Want more from your products? The Mercator Ikuü app can help you to customise your smart products any way you like. Detailed guides on these features can be found at www.ikuu.com.au.

Rooms

Separate your products within the app for easy control based on their location.

Scenes

Control multiple products from any room at the same time.

Automation

Create triggers that allow products to complete actions automatically. These triggers can be based on time, sensors, or even other products.

Routines

Use Mercator Ikuü with other household products to create simple voice commands that trigger customised actions based on your daily activities.

Timers

Use a range of scheduling and countdown timers that trigger actions.

Alerts

Manage the kinds of alerts you receive from your products (e.g. security products).

Sharing

Share access of your products with others.

In-App Customer Service

Talk to our customer service team directly through the app if you have any issues.

For guides on using these features in the app and to see our broad range of smart products, visit www.ikuu.com.au
