The Thompson Canopy Bed

Component Labels

MAIDEN HOME

Please note that all horizontal posts, headboard posts, and footboard posts are labeled with numbers to ensure proper assembly. The labels are located at the ends of the horizontal posts and next to the receiving bracket of the headboard and footboard posts. As shown in the diagram, the numbers on the horizontal posts correspond with the numbers on the headboard and footboard posts.

Assembly Checklist

Review the checklist below to ensure your Thompson canopy bed is properly assembled.

- ☐ Ensure all slats are present.
- ☐ Ensure all slats are lying flat.
- ☐ Ensure all hardware is firmly secured. Do not loosen or move hardware.
- ☐ Ensure center support legs are level.
- ☐ Ensure all 4 L bracket are securely installed on the horizontal posts.
- ☐ Should you need to move this piece for any reason—including installing a rug beneath it—disassemble it first, then reassemble in the desired position.
