

Series 7, Contemporary Double DishDrawer Dishwasher

Series 7 | Contemporary

- Wash one drawer while you load the other, with room in each drawer for full-size dinner plates.
- Designed to be installed under your benchtop, with recessed handles for a seamless look
 - Seven wash programs, as well as additional Quick wash, Sanitise and Dry+ modifiers
 - Flexible racking allows you to customise internal shelves to suit your needs

- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height	820 - 880 mm
Width	599 mm
Depth	573 mm

FEATURES & BENEFITS

Seamless Fit
Our built-under DishDrawer™ Dishwashers are installed flush under your benchtop with the option of a custom kickstrip, ensuring minimal gaps. Designed to match the Fisher & Paykel family of kitchen appliances with recessed handles for a streamlined look.

Ease Of Use
DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

Quick, Sanitise And Dry+ Options
The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection, killing 99.9% of bacteria* in the final rinse. The Dry+ setting is perfect for plastic dishes.

*Certified to NSF/ANSI Standard 184

Beauty Of Choice
As much a design component as a high performance appliance, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, on its own or part of a matching kitchen appliance set.

True Half Load
Each drawer holds a true half load for small, fast washing that won't waste water. Both drawers operate independently so two wash cycles can operate simultaneously to allow for varying loads.

Independent Wash
With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

Quiet Performer
Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

SPECIFICATIONS

Accessories (included)	
Cutlery basket	•
Kickstrip	true
Knife clip and multipurpose clip	•

Capacity and loading	
Accommodates round plates up to	280mm
Adjustable height, foldable cupracks	•

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
