Telescopic runners Telescopic runners provide better access to make it easier and safer to remove hot and heavy dishes.

BENEFITS

STEAM. NEXT LEVEL COOKING. Take your dishes to a new level with SteamCrisp. How? Traditional oven heat is enhanced by the introduction of steam, combining precisely to give your cooking the best of both culinary worlds. Your meat, poultry and vegetables are crisp and golden on the outside, whilst juicy and consistently cooked throughout.	FLAWLESS RESULTS AT A TOUCH CookSmart Touch display effortlessly guides you to achieve perfect results, from cooking everyday dishes to the most ambitious meals. Recently used and Favourites are available with just a swipe.
DISCOVER AI ASSISTED COOKING Optimise your cooking settings by sending a web recipe or copying the link into the app. The app leverages AI to customise the settings for your specific oven, such as temperature, time, function and pre-heating, to deliver the best possible result.	MEET YOUR PERSONAL CHEF Assisted Cooking is your at-home sous chef. Scroll through menus to select a food category and the oven will generate the correct settings for the dish. You can even choose how you would like meats sealed and for added safety the oven will automatically power down after cooking.
WHY NOT FRY WITH LESS OIL The mesh construction of the AirFry tray allows super-heated air to crisp the surface of ingredients to deliver a delicious fried taste and texture, with less oil.	PRECISION MEETS PERFECTION The Food Sensor allows you to precisely monitor the cooking process and achieve perfect results according to your personal taste. The oven will let you know when your food has reached the right temperature.

CLEAN YOUR OVEN WITH EASE

The self-cleaning pyrolytic function takes all the effort out of keeping your oven clean. The oven is heated to a temperature that makes the grease and food residue turn to ash, which can then simply be wiped away with a damp cloth.

ACCESS ALL AREAS

Telescopic runners provide better access to dishes, making it easier to baste during cooking or check on progress. The runners also make it easier and safer when removing hot trays or heavy dishes.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Oven	single steam & pyrolytic oven
Oven fuel	electric
Materials/Colour	matte black
Controls of Oven	TFT touchscreen
Cooling fan	Yes

FLUSH FIT CUT OUT

Flush fit cut out height (mm)	590
Flush fit cut out width (mm)	560
Flush fit cut out depth (mm)	550

DIMENSIONS

PRODUCT DIMENSION

Total height (mm)	594
Total width (mm)	596
Total depth (mm)	569

MAIN OVEN

Useable capacity litres	72
Oven function	multifunction
Number of functions	22

ELECTRICAL CONNECTION

Connected load KW	3.39
Maximum current rating (amps)	15.41
Type of connection	hardwired

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
