 - Enjoy the convenience of not needing to fill the detergent dispenser for every wash with Auto Dose mode

DIMENSIONS

Height	850mm
Width	600mm
Depth	675mm

FEATURES & BENEFITS

- The pinnacle of fabric care**
With 14 fabric care cycles including Quick 15, Wool and Sports. The specially-designed cushioned drum provides a gentle, effective washing action, protecting clothes while delivering an optimal wash performance.
- Refresh, revive, respect**
Bring lightly worn clothes, musty stored garments and even soft furnishings back to life with Steam Refresh. The 20 minute cycle removes odours so clothes can be worn again without the need for a full wash cycle, while steam reduces creases to save you precious time spent ironing.

- Health and hygiene**
Our Hygiene cycles including Allergy and Sanitise provide extra protection for your clothes. The higher wash temperature and an extra rinse cycle is designed to kill more than 99.9% of bacteria and reduce allergens.
- Less waste with Auto Dose**
Prolong the life of your garments with Auto Dose mode. Auto Dose dispenses the exact amount of liquid detergent required based on load size – resulting in less waste, less hassle and less detergent residue, with the added convenience of not needing to fill the dispenser for every wash.
- Customise your wash**
Shorten your total wash time with our Speed option, or choose Eco to wash more sustainably. The Quiet mode reduces cycle

noise, perfect for late night washing without waking the house.

- Time saving**
When time is short you can select a quick 15 minute wash for freshening up new or lightly soiled garments. In fact, Vortex Wash allows most cycles to take less than one hour to complete. Water is forced from the bottom of the drum, so detergent and heat reach your clothes faster, cleaning quickly and avoiding over-washing.

- A smarter, quieter wash**
SmartDrive™ technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load, with less moving parts, to deliver better fabric care.

SPECIFICATIONS

Consumption	
Energy rating	4.5 star
Water rating	4.5 star (WELS)
Water usage (per wash cycle)	96L

- Features**
- Add a garment (immediate)
 - Adjustable alert beeps
