8 Check the installation is correct before turning power on.

Location of installation

This product is not suitable for installation in Zone 1 or 2.

This product can be installed in a bathroom but only in the area designated by the IP rating – Zone 2 or 3– see location information below.

Zone 2

An area stretching 0.6m (1' 11"") outside the perimeter of the bath and to a height of 2.25m (7' 4"") from the floor. In addition, it is good practice to consider the area around a wash basin, within a 60cm (1' 11"") radius of any tap to be considered as zone 2

Zone 3

Anywhere outside Zones 0, 1, and 2 and where no water jet is likely to be used. If there is a likelihood of water jets being used for cleaning purposes in zones 1, 2 and 3 a fitting rated a minimum of IP65 must be

Cleaning The Product

Turn the product off. Allow the product to cool down. Clean the outside of the mirror lamp by wiping with a dry cloth or damp cloth and buff with a dry cloth. Avoid using the damp cloth near to or inside the internal of the casing. Do not use any detergents or abrasives. Always allow it to dry thoroughly before turning the power on. It is recommended to clean the product every 2 months.

Maintenance and Storage

Installation, maintenance, inspections or removal of this product should only be performed by a qualified electrician.

Disposal

Only dispose of electrical appliances as designated municipal waste facilities. Contact your local government for information regarding the collection systems available. If electrical appliances are disposed of in landfills or dumps may prove hazardous to health.

Guarantee

The manufacturer provides the guarantee in accordance with the legislation of the customer's own country of residence, with a minimum of 1 year, starting from the date on which the appliance is sold to the end user.

The guarantee only covers defects in material or workmanship. The repairs under guarantee may only be carried out by an authorized service centre. When making a claim under guarantee, the original bill of purchase (with purchase date) must be submitted. The guarantee will apply only in cases of normal wear.
