

SAMSUNG

Galaxy Z Fold7 for business Galaxy AI ✨

Ultra unfolds

Bigger, yet slimmer than ever

Defy expectations with a wider design that's also lighter and thinner than ever.

All the power and speed you need

Galaxy Z Fold7 has all the power, speed and screen you need to switch apps smoothly and get the most out of your day.

More room to unleash the power of Gemini

Do more using less effort with an assist from Gemini² on an Ultra-like outer display or an expansive inner screen.

Galaxy AI features by Samsung are free through 2025 and require Samsung account login.

Best camera on a Fold yet

Elevate your business photography with the 200MP camera. Finally, a foldable with top-tier photo resolution.

Lightweight form. Heavyweight durability.

With time-tested durability,¹ it stands up to everyday wear and tear — open or closed.

A cover screen that's got you covered

With its expanded cover display,³ you can comfortably use Galaxy Z Fold7 like a traditional phone when it's closed. When it's open, knock out multiple business tasks at once on a large, tablet-like screen.⁴ Can your phone do that?

¹Tested and verified for at least 200,000 folds (or approximately 10 years of use). Based on average consumer folding behavior. ²Compatible with select apps. Requires Google Gemini account. Results may vary based on input; check responses for accuracy. Google and Gemini are trademarks of Google LLC. ³Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. ⁴Available with compatible apps. ⁵Display measurements are diagonal, and actual viewable area is less due to rounded corners. ⁶30x Space Zoom includes digital zoom, which may cause some image deterioration. ⁷Portion of memory occupied by existing content. ⁸Resists solid particles >1mm; tested for submersion in up to 5 feet of fresh water for up to 30 minutes. Rinse residue / dry after wet. ⁹Typical value tested under third-party lab condition. Rated (minimum) capacity is less. For more information, please visit www.samsung.com. ¹⁰25W Super Fast charger sold separately. Super Fast Charging speed depends on battery level and other factors; use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ¹¹Wireless charger sold separately. ¹²PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment. ¹³Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details. Download and streaming speeds may vary based on content provider, server connection and other factors. © 2025 Samsung Electronics America, Inc.
