- · LED lighting for better visibility in the refrigerator compartment
- Super freeze technology helps freeze food faster and keeps foods frozen when the freezer is being used frequently
- Fully-automated process for having fresh ice cubes
- Warranty, two (2) years parts & labor

Fingerprint Resistant

LED Lighting

Gallen Door Storage

With its modern clean design, the Hisense HRB171N6BSE is slim enough to fit 33 In.-width spaces and give any kitchen a more premium look. The counter-depth design and stainless steel exterior finish give the refrigerator a more built-in look. Gallon door storage keeps frequently used items within easy reach. Fingerprint resistant stainless steel makes it easy to keep this refrigerator looking great in your kitchen. LED lighting brightens the interior, helping you find what you're looking for. The factory installed icemaker in the freezer provides easy access to ice when needed.
