

#### WHAT'S IN THE PACKAGE

- ① front bottom seat covers \*2,
- ② hooks (clips) \*4, ③ chucks\*4

Note: If there is any part missing or defective, please reach out to us.

#### PREPARATION

Chucks: Insert the back-side strap to the chuck (③) through the two gaps.

Hooks : a) Put the front-side straps through the hook (②) and tie a knot.

b) Open the clip (②) , put the front-side strap into the clip (②) and close it.

#### BOTTOM COVER INSTALLATION

**STEP1:** Push the chuck (③) into the gap between bottom seat and backrest, and get them (③) from the backside.

**STEP2:** Pull the side straps to the backside. Adjust the position of straps, then fix the latch in mid.

**STEP3:** Adjust the seat cover (①) make it flat, then hook the hooks (②) under the seat. Repeat the above step for another cover.
