

VENU 8ix

Super-compact. Super-versatile

The 2-way VENU 8ix passive speaker delivers our signature audio quality in a discreet, compact, lightweight format, making it the go-to solution for any short throw sound reinforcement or live monitoring applications. Combined with an AUDIOFOCUS S-series sub, the VENU 8ix can also be used as a small PA system. Hotels and commercial venues will love VENU 8ix's flexibility and portability.

VENU 8ix can be quickly deployed in any configuration when used with AUDIOFOCUS A-354 SCiO, A-704 SCiO, A-1504 SCiO, or A-3004 SCiO amplifiers with integral DSP and dedicated presets. Armonia presets are also available for Powersoft amplifiers.

The VENU 8ix is built in Belgium to the same exacting standards as our pro touring ranges and coated in tough, weather-resistant polyurea to protect your investment.
