

Genuine OEM Parts

You can count on your local Cat® lift truck dealer to provide genuine OEM parts solutions to help keep your costs down and your lift truck running at peak productivity. When you buy from your local dealer, you can be assured that your OEM part is manufactured to meet original equipment design criteria. Additionally, all Cat lift truck OEM parts come with a six-month, unlimited hours warranty.

Promatch® Replacement Parts For All Lift Truck Brands

The Promatch® parts program, available through your local Cat lift truck dealer, is designed to be your single source for dependable replacement parts, no matter which lift truck models exist in your fleet. Promatch parts are manufactured by some of the best component and original part manufacturers, and they are backed by the same six-month, unlimited-hour replacement warranty.

nGauge® Parts Ordering

This online parts store is designed to provide you with easy access to the parts you need to keep your lift truck fleet operating at its best. You can quickly check availability and pricing for over 4.2 million replacement parts, regardless of your lift truck make and model. The ability to streamline your parts ordering allows you to spend less time maintaining your lift truck fleet and more time running your business.

Quality	Reliability	Customer Service
---------	-------------	------------------

Cat Lift Trucks offers an extensive range of products and services. Your Cat lift truck dealer can provide options and additional visual and audible warning devices geared toward your specific applications and requirements. Operator training programs are also available to boost productivity and to help reduce the potential for product damage and personal injury. Your Cat lift truck dealer can also provide a variety of financing and leasing options to suit the needs of your business.

Unlimited Hours Warranty covers parts and labor for two years, regardless of service hours. Major powertrain components are covered for 3 years or 6,000 hours.

Parts Fast or Parts Free Guarantee ensures next-business-day availability (at dealer's location) of parts for lift trucks, or they are free, including freight.

Free Loaner Service Guarantee provides a lift truck until the repair is done if your lift truck is not repaired right the first time and within the quoted time.

Contact your Cat lift truck dealer for complete terms and conditions of these guarantees.

Reduce Operating Costs With
Fleet Management Services

Cat Lift Trucks, in collaboration with its world-class dealer partners, delivers the most comprehensive fleet management services in the industry, including:

- Cost Control
- Accounting Services
- Fleet Reporting
- Ownership Flexibility

Cat Lift Trucks fleet services go beyond the basics. Your company will benefit from the industry knowledge of our fleet professionals as they help you develop your asset management strategies. Our team of experts will not only identify material handling cost reduction opportunities with you, but will offer their recommendations for an effective fleet management system design that will optimize the utilization of your fleet.

An enterprise-wide fleet program, designed in partnership with Cat Lift Trucks, its dealers and you, creates processes that deliver consistency and efficiency with your material handling operations. It can also assure program pricing compliance across your organization. The result is an integrated approach toward improving operations, lowering your operating costs and improving your bottom line.

That’s what true partnerships are all about. You can count on Cat Lift Trucks as your true fleet management partner.
