## Daily Maintenance Instructions

### Dust Removal

Please wipe with a damp cloth or rinse with water.

### Daily Cleaning

Please clean with neutral detergent.

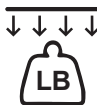

### Scratches Avoided

Please carry the product carefully to avoid contact with sharp or hard objects, which may cause damages or scratches.

### Hazardous Substance Avoided

Please avoid contact with strong acid or alkali, if spilled accidentally, please rinse with water immediately.

### Safety Reminder

Please pay attention to the weight capacity and avoid children jumping on the product.

### Warm Reminder

It is recommended to store the product when not in use (over one month), protecting the possible damage from harsh weather. Proper protection can prolong its life span.

Please note: In order to increase the service life of the table, please take care to store it in a **dry and ventilated environment** when not in use.
