

Connecting for the first time

1. MyKokoon app

Install and open the MyKokoon app.

2. Charging

Connect the headphones to a power source, using the USB-C cable.

- > LED flashes green when charging
- > LED solid green when fully charged

3. Powering on

Hold the **○** button for 2 sec to turn the headphones on.

- > LED single white pulse.

4. Pairing*

Hold **○** and **+** buttons simultaneously for 1.5 sec to enter pairing mode.

- > LED flashes blue when in pairing mode.

Turn on Bluetooth® on your phone. Select "Kokoon Nightbuds" in your Bluetooth® settings.

- > LED single blue pulse (3 sec) once connected.

- > Begin your journey to better sleep.

*pairing only required for first connection
