

WiFi Module Quick Start Guide

Connect Life

Download "Connect Life" from your APP store

QR Code for iOS

QR Code for Android

Once Signed up, select the Split air conditioner

Split air
conditioner

**Press the left/right air swing button until you hear 6 beeps.
Followed by fast beeping. The display should flash "77"**

Connect to the module WiFi starting with "HIS-"

**Select your WiFi, then enter
your password, followed by
clicking connect**

A screenshot of a WiFi connection form. It has a field for 'SSID' with 'AireHess' selected. Below it is a field for 'Enter WiFi password'. At the bottom is a teal 'CONNECT' button. A red arrow points from the text 'clicking connect' to the button.

**Follow the last few details, setting device
name and location.**

You're Done!
