

Temporary solution for labels missing the IKEA.com address.

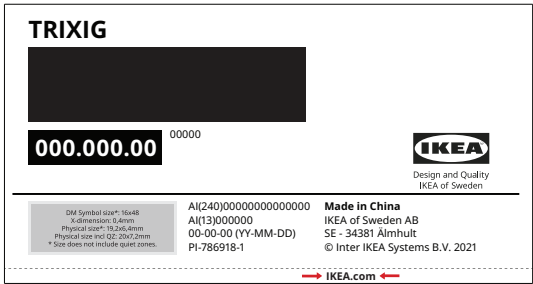

This temporary solution allow the supplier to merge the IKEA.com address on labels that are missing the IKEA.com.
They can use this temporary solution until the RPI label connected to supplier is updated.

Below is some examples of labels that shows where the IKEA.com could be added.
The IKEA.com shall be close to the IKEA of Sweden AB address.
Font and font size to be used for the IKEA.com on the RPI labels is Noto IKEA Latin and 4pt.

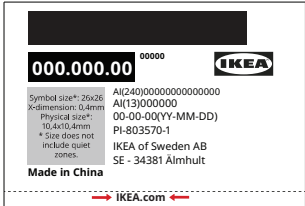

Template 1R20-IDADM

Template 1C70-IDBDM

Template 1R25-IDCDM

The solution is to merge below label document AA-2595652(needed to be connected in PDOC) with the IKEA.com address to the DM label.
The guide for this merging process is found in the user guide for the IKEA Print Application.

IKEA.com
