Package Contents

- USB 3.0 Gigabit Ethernet Adapter x 1
- Instruction Manual x 1

Requirements

For the latest manuals, product information, technical specifications, and declarations of conformance, please visit: www.startech.com/USB31000S

- USB enabled computer with available USB 3.0 port

Installation

1. Connect the Ethernet Adapter to a USB-A Port on the Host Computer. The Ethernet Adapter should auto-install using native drivers.
2. If the drivers do not auto-install, please follow the instructions below.

Download the Driver

1. Navigate to www.startech.com/USB31000S
2. Click the **Drivers & Downloads** tab.
3. Under **Driver(s)**, download the **Driver Package** corresponding the **Operating System** installed on the **Host Computer**.

Install the Driver

Windows

1. Right-click the zipped **Driver Package** that was downloaded. Click **Extract All**. Browse to the newly created folder.

Note: Ensure to make a note of the location where the drivers were extracted. That location will be used on the next step.

Windows usually saves the files to the Downloads folder associated with the user account (e.g. C:\Users\useraccount\Downloads).

2. Open the folder corresponding to the Windows version installed on the **Host Computer**.

3. Right-click the **Installer Setup file**. Click **Run as administrator**.

Note: If the Run as administrator option is not available, you could be attempting to run the Installer Setup from within the zipped Driver Package. Extract the files using the instructions in Step 1 in the Install the Driver section.

4. Follow the on-screen instructions to install the **Device Driver**. Restart the **Host Computer** if prompted.

macOS

1. Double-click the downloaded file.
2. Open the folder corresponding to the macOS version installed on the **Host Computer**.
3. Run the **Installer Setup file** inside the folder.
4. Follow the on-screen instructions to install the **Device Driver**. Restart the **Host Computer** if prompted.

Linux (Ubuntu 20.04 Kernel 5.15 and up)

1. Extract the contents of the **Driver Package**.
2. Follow the instructions in the accompanying **Readme** file to finish the installation.

Regulatory Compliance

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a different circuit than the receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the device. If shielded interface cables are included with the product, or if additional components or accessories are designated for use with the installation, they must be used to ensure compliance with FCC regulations.

ISED Statement / Déclaration d'ISDE

This Class B digital apparatus complies with Canadian ICES-003.

This device complies with ISED Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Le présent appareil est conforme aux CNR d'ISDE Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Warranty Information

This product is backed by a two years warranty.

For further information on product warranty terms and conditions, please refer to www.startech.com/warranty.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Safety Measures

- Read the entire manual and ensure the instructions are fully understood before assembling and/or using this product.

Mesures de Sécurité

- Lisez tout le manuel et assurez-vous que vous comprenez les instructions avant de commencer à assembler et utiliser ce produit.

安全対策

- 最初に取扱説明書を最後まで読み、本製品の組み立て方をすべて理解してから組み立て作業を始めて下さい。

Misure di Sicurezza

- Leggere l'intero manuale e assicurarsi di aver compreso tutte le istruzioni prima di iniziare ad assemblare e a utilizzare questo prodotto.

Säkerhetsåtgärder

- Läs hela manualen och se till att du förstår instruktionerna innan du börjar montera och använda produkten.

Medidas de Seguridad

- Lea todo el manual y asegúrese de haber comprendido bien las instrucciones antes de proceder con el ensamblaje y el uso de este producto.
