Switching made simple

Whether you're coming from an iOS or Android platform, you can easily transfer your data with Smart Switch.

Back up your old phone

Back up your old phone using your favorite back-up app.

Samsung Smart Switch

1. From your new Galaxy device, tap **Settings** > **Accounts and backup** > **Bring data from old device**.

2. Download Smart Switch and tap **Receive data**.

3. Select your old device type and follow the prompts to connect your phones.
