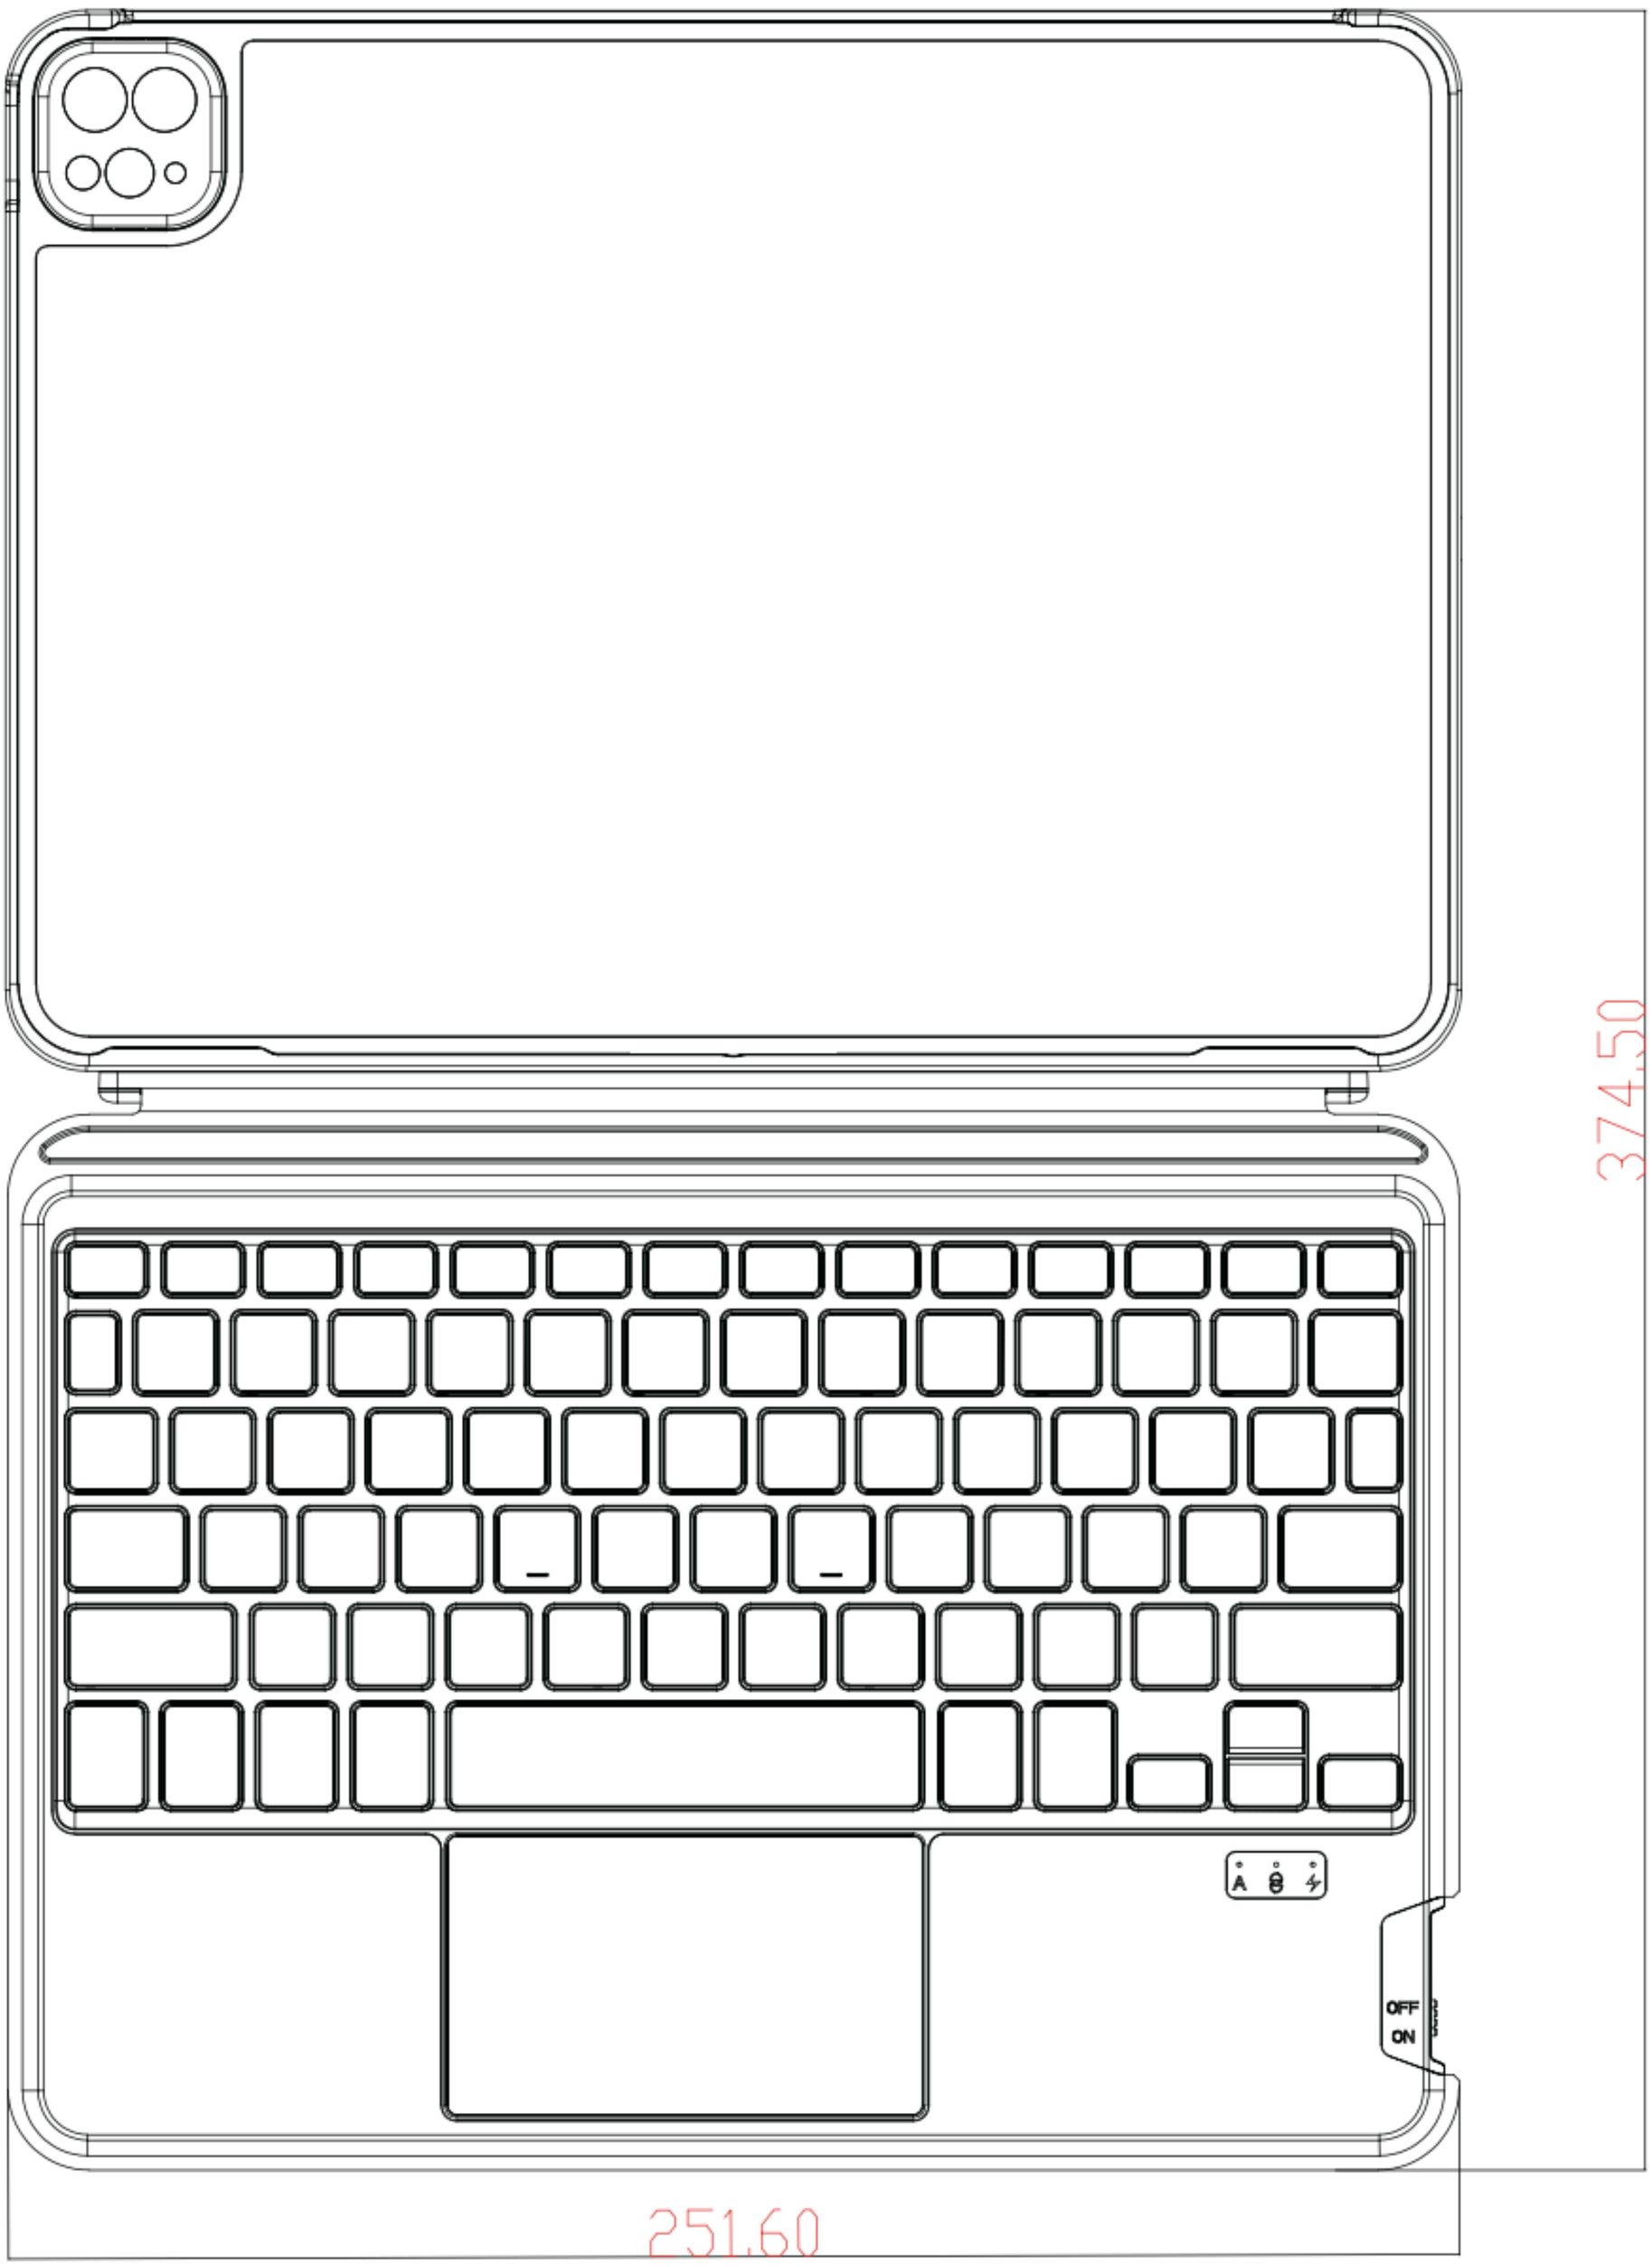
iPad Keyboard Case

Note: Please read the manual carefully before using

Keyboard Case Size



How to connect the iPad

1. Open the cover, install the iPad into the cover, then fold the leather case inwards into a triangle to support the iPad.
2. Slide the key to "ON" to turn on the keyboard power. (the power indicator will flash slowly)
3. Press "Fn+ del " button into Bluetooth matching condition, the Bluetooth indicator light will flash with Blue.
4. Open Bluetooth on your iPad. Search keyboard name（WiWU 5.2G Keyboard）for matching device to keyboard.
5. The connection is successful, the Bluetooth indicator stop flashing.

Note:

The keyboard will automatically go into power savings mode after 10 minutes of inactivity. Press any key and wait 2-3 seconds to wake the keyboard.

The keyboard is not waterproof, so if liquid (such as water) leaks, the keyboard will be damaged and will not work properly.
