

S+ Three-Door Side-by-Side Refrigerator Freezer, 90.5cm, 575L, Water

Satina | French hinge

- Designed for ultimate flexibility, the S+ Three-Door is packed with FresherTechs and includes a SwitchZone™ compartment, so you can store different foods in their ideal environment.
- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C, so you can use it as a fridge or freezer.
 - A Humidity Zone™ bin creates the optimum environment for fruit and vegetables
 - Filtered cold water from the door with the refillable interior water tank

- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

DIMENSIONS

Height	1775mm
Width	905mm
Depth	707mm

FEATURES & BENEFITS

- More fridge, more flex**
With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone™ and Humidity Zone™ create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.
- Switch Zone™ technology**
When you need extra space, Switch Zone™ gives you the freedom to change the top left compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.

- Energy savvy**
Designed for energy efficiency, with a 4-star energy rating.

- Humidity Control System**
A Humidity Zone™ drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

- Cold water on tap**
A water dispenser makes it simple to reach for a glass of chilled water. The internal water tank is easy to refill and doesn't require plumbing, while the interior twist ice maker and collection bin makes storing ice simple.

- Even cooling**

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

- Considered design**
This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.
