A. Color Remember

Follow the flashing colors and accurately replicate the sequence to earn points.

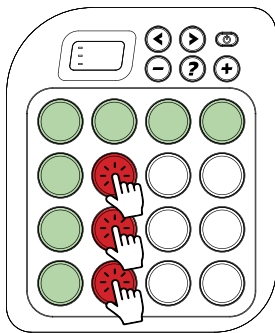

A+. Color Chase

Follow the light pattern as it illuminates and catch up with the blue light. Stay in the game for the longest duration possible!

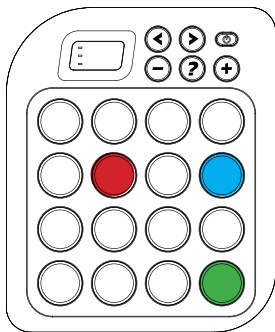

B. Color Matching

Click to match all buttons of the announced color at the same time. Each correct match earns a point. Aim to achieve the highest score possible.

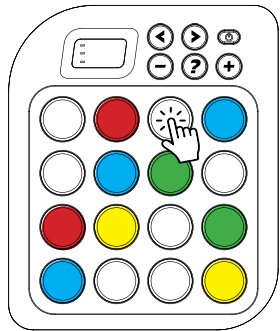

B+. Color Master

Follow the light sequence by clicking the colors in the order they illuminate. Each round introduces a new color, increasing the challenge. Maintain the pattern to continue playing.

C. Color Sudoku

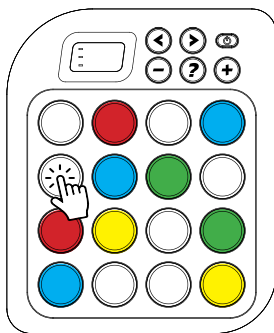

Color Sudoku is a variation of the classic Sudoku puzzle game, using colors instead of numbers. Ensure each row and column contains all colors without repetition. This game includes 500 challenging levels.

**WITH BRAINTEEZ, CHILDREN CAN
