

Assembly Instructions

****Outdoor Furniture Assembly Guide****

****For Products Requiring Assembly:****

1. Check package contents against parts list
2. Follow step-by-step manual included
3. Use proper tools (usually included)
4. Have two people assist with large items
5. Do not overtighten connections
6. Check all joints before use

****Troubleshooting:****

- If parts are missing: Email kemp.a.flowers@outlook.com with photos
- If instructions unclear: Contact us before proceeding
- If damage occurs during assembly: Stop and contact us

****For Ready-to-Use Products:****

- No assembly required
- Please refer to care manual for maintenance
- Enjoy your furniture immediately!
