USER GUIDE

Features:

- Adapter Type: 12V AC/DC Adapter Included
- Class-T Circuit Design: Ensures superior audio performance with minimal distortion.
- Microphone Input Jack: Allows for easy microphone connection.
- Speaker Impedance: 2-8 Ω (ohms) compatibility for versatile speaker options.
- Input Jacks: 3.5mm iPod/MP3 Input Jack
- Signal to Noise Ratio: >80dB for clear and accurate sound reproduction.
- Total Output Power: 60 Watts for loud and clear audio performance.
- Input Power: DC 9 ~ 14.4V 2A.
- Total Harmonic Distortion: <0.4%, ensuring high-fidelity audio.
- Frequency Response: 20Hz to 20kHz, providing a full range of sound.
- Safety Protections: Short Circuit, Overload, and Overheat Protection to safeguard your amplifier and devices.
- Dimensions: 5.51" x 4.80" x 1.81" inches

Precautions

- **Do Not Overload:** Avoid exceeding the recommended power input and speaker impedance to prevent damage.
- **Ventilation:** Ensure the amplifier is placed in a well-ventilated area to prevent overheating.
- **Avoid Liquid Exposure:** Keep the amplifier dry. Do not expose to moisture or liquids to prevent electrical hazards.

California Prop 65 Warning

⚠ WARNING:

This product may expose you to chemicals, which is known to the state of California to cause cancer, birth defects and other reproductive harm. Do not ingest.

Cleaning and Maintenance

- **Cleaning:** Turn off and unplug the amplifier before cleaning. Wipe the unit with a soft, dry cloth. Do not use harsh chemicals or abrasive materials to clean the surface.
- **Regular Inspections:** Periodically check the amplifier's power cord, input/output connections, and cooling system (if any) for wear and tear.
- **Speaker Protection:** Ensure your speakers are not subjected to sudden bursts of high-volume sound, as this can cause long-term damage.

Storage

- **Safe Storage:** Store the amplifier in a cool, dry place when not in use. Avoid exposure to extreme temperatures, humidity, or direct sunlight.
- **Cable Management:** Keep cables organized to avoid strain or damage to the input/output ports.

Register Product

Thank you for choosing PyleUSA. By registering your product, you ensure that you receive the full benefits of our exclusive warranty and personalized customer support. Complete the form to access expert support and to keep your PyleUSA purchase in perfect condition.
