WARNING

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Important: Change or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

Size: 48*130mm/P es

ESPECIFICACIÓN

Sensibilidad del altavoz: 95±3dB Rango de trabajo: 10m Bateria: 55mAh*2 Música y tiempo de llamada: 5 horas Tiempo de espera: 50 horas Tiempo de carga: 1.5 horas Entrada: 5V 1A

▲ ADVERTENCIA

Este producto puede exponerlo a sustancias químicas que incluyen fialato de diisononilo (DINP) y fialato de dii(2-etilhexilo) (DEHP), que el estado de California reconoce como causantes de cáncer. y fialato de di-isodecilo (DIDP) y fialato de di (2-etilhexilo) (DEHP), que el estado de California reconoce como causantes de defectos de nacimiento u otros daños reproductivos. ADVERTENCIA

Nota: Este equipo ha sido probado y cumple con los limites para un dispositivo digital de Clase B. de conformidad con la parte 15 de las Reglas de la FCC. Estos límites están diseñados para proporcionar una protección razonable contra interferencias dañinas en una instalación residencial. Este equipo genera, utiliza y puede irradiar energía de radiofrecuencia y, si no se instala y utiliza de acuerdo con las instrucciones, puede causar interferencias dañinas en las comunicaciones por radio.

Sin embargo, no hay garantía de que no se produzcan interferencias en una instalación en particular. Si este equipo causa interferencias dañinas en la recepción de radio o televisión, lo cual se puede determinar apagando y encendiendo el equipo, se recomienda al usuario que intente corregir la interferencia mediante una o más de las siguientes medidas:

- Reoriente o reubique la antena receptora.
 Aumentar la separación entre el equipo y
- el receptor.

 Conecte el equipo a una toma de corriente en un circuito diferente al que
- está conectado el receptor.

 Consulte al distribuidor o a un técnico experimentado en radio/TV para obtener

Importante: Los cambios o modificaciones no aprobados expresamente por el fabricante responsable del cumplimiento podrían anular la autoridad del usuario para operar el equipo.

W5 MANUAL DE USUARIO

FCC Warning 15.19 Labeling requirements.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

15.21 Information to user.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

15.105 Information to the user.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications . However, there is no guarantee that interference will not occur in a particular installation. If this

equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-Reorient or relocate the receiving antenna.

 Increase the separation between the equipment and receiver.

-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-Consult the dealer or an experienced radio/TV technician for help.

FCC RF Radiation Exposure Statement:

- 1.This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
- This equipment complies with RF radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 5mm between the radiator and your body.
