

## Specifications

### 1. Polar Pattern: Cardioid

### 2. Performance Parameter

|                                 |                                                                                               |
|---------------------------------|-----------------------------------------------------------------------------------------------|
| Sound Field                     | Mono                                                                                          |
| Capsule                         | Electret Condenser                                                                            |
| Polar Pattern                   | Cardioid                                                                                      |
| Frequency Range                 | 50Hz~12kHz                                                                                    |
| Sensitivity                     | -26.5dBV@1KHz                                                                                 |
| Gain Control                    | 0-15dB                                                                                        |
| Max. SPL                        | 105dB                                                                                         |
| Low Cut Frequency               | Level 1: 75Hz, Level 2: 150Hz                                                                 |
| Output Power of Monitoring Jack | 100mW@32Ω                                                                                     |
| Audio Output Cable              | Type-C to TRRS (TRRS Adaptive)                                                                |
| Power                           | 500mAH Lithium Battery                                                                        |
| Charging Data                   | DC+5V≥500mA                                                                                   |
| Battery Life                    | About 40 hours (Monitor at medium volume)                                                     |
| Power On/Off                    | Manual operation / Auto operation when device connects or disconnects through 3.5mm connector |
| Dimensions (H x W x L)          | 115.52 x 52.29 x 45.20mm                                                                      |
| Weight                          | 67g                                                                                           |

## Warranty

### Warranty Period

Thank you for purchasing SYNCO products.

1. Customers are entitled to free replacement or repair service in case of quality defect(s) found in the product under normal use within 30 days upon receipt of the product.

2. Original SYNCO products are entitled to **12-month** limited warranty service. The warranty period begins on the date of purchase of brand new, unused products by the first end-user.

Within the warranty period, if product defect or failure is attributable to material defection or technological problem, the defective product or defective part will be repaired or replaced without charge (service and materials fee).

### Warranty Exclusions and Limitations

- Faults resulted from inappropriate use of a product without following its operation specification
- Artificial damage, e.g. crash, squeeze, scratch, or soaking
- Modifications to a product by its user or a third party without prior written consent of SYNCO, e.g. replacement of element or circuit, label alteration
- The code on product is inconsistent with that of warranty certificate, or the code on the product or warranty certificate is altered or torn off
- All consumable accessory attached to a product, like cable, wind muff, battery
- Faults as a result of force majeure, such as fire, flood, lightning, etc.

### Warranty Claim Procedure

- If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact SYNCO's customer service through email at [support@syncoaudio.com](mailto:support@syncoaudio.com).
- Please retain your sales receipt and warranty certificate as proof of purchase. If any of these documents is missing, only sales return or chargeable service will be provided.
- If the SYNCO product is out of the warranty coverage, the service and the parts cost will be charged.
