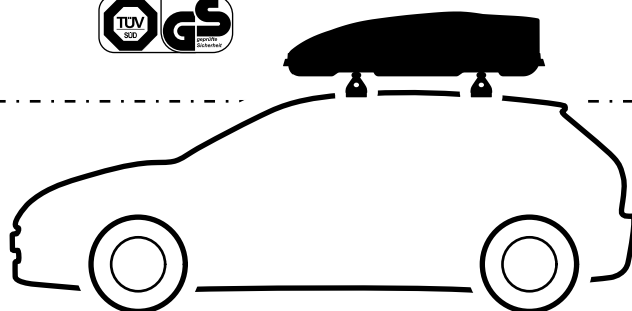

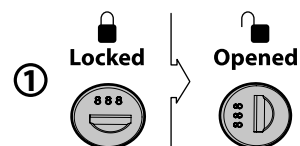

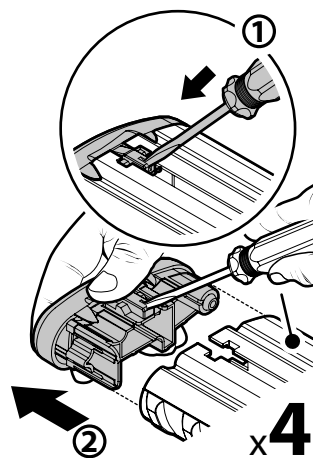

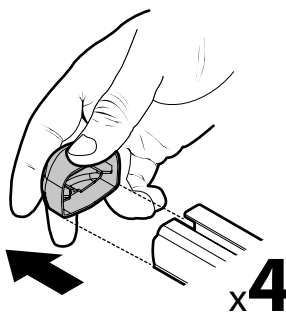

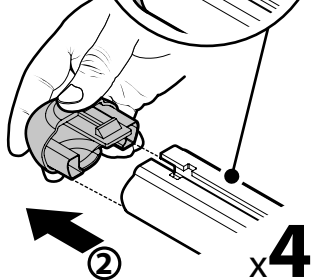

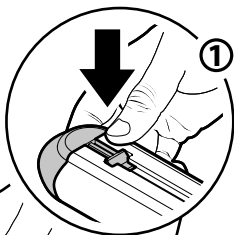

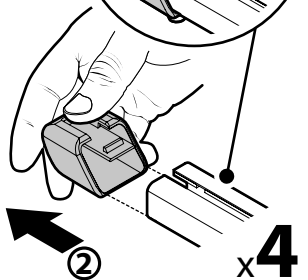

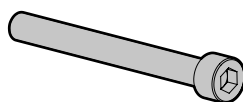

Diagram 1 shows a hand pressing down on the top of a sheet of paper that is partially inserted into the printer's input tray. A large black arrow points downwards, indicating the direction of pressure. A circled number '1' is in the top right corner of the diagram.

x4

This diagram shows the rear of the device. A rectangular battery cover is shown detached from the back. A line points to a small, dark, circular latch or hole on the rear panel, indicating where the cover is secured.
