

# ALECK

Welcome to better days on the "hill"

The team here at Aleck has been working hard to give you the best on-snow entertainment and communication experience possible. Since some of this is new technology, please take a moment to get friendly with it ...

---

## GETTING STARTED:

1. Charge your Aleck 006 headphones
  2. Download and set up the Aleck GO! app  
(via the QR code)
  3. Pair your headphones with your phone
  4. Get familiar with the headphones 2-button controls
  5. Get out on the hill!
- 

## HAVE AN OPINION?

We are a small, dedicated team always looking for ways to improve shared adventures. Please help us spread positivity by leaving a product review wherever you purchased this product.

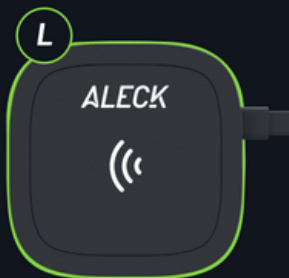

Not satisfied? Give us a chance to make things right.
