DV ONE+ PROTECTIVE SOLUTION

BY **TSI**
TOUCH

FULLY ENCLOSED PROTECTION FOR YOUR DV ONE+

Extend the life of your Newline DV One+ with the DV One+ Protective Solution by TSI Touch. The DV One+ Protective Solution preserves the display aesthetics of the DV One+ with seamless and sleek integration into hallways, auditoriums, conference rooms, gymnasiums, and more.

Utilizing high-quality materials to resist impacts and scratches, the DV One+ Protective Solution thrives in high-traffic environments, standing up to wear and tear while maintaining user-friendliness. Low maintenance and easy to clean, the DV One+ Protective Solution is water and dust resistant. The precision-engineered design ensures a perfect fit, maintaining the aesthetics of the display while offering maximum protection.

Featuring patent-pending design elements for precision and protection, the DV One+ Protective Solution enhances display longevity, safeguarding your investment.
