Turbo pet nozzle The air driven AeroPro turbo nozzle is ideal for the removal of pet hair from the floor.	Washable HEPA filtration A washable HEPA 12 filter helps retain up to 99% of microscopic particles from the vacuum cleaner exhaust.		

Product Details

Benefits

Dust & Gone

Always clean, and always ready to work, the Dust & Gone dusting brush allows for on the spot dusting, without having to handle or manually clean the brush!

High Speed Dust Removal!

Powerful performance means more dust and dirt is picked up in one pass over the floor, saving you time and effort.

Extra large 3lt Dust Container

The extra large bagless dust container performs for up to 3 times longer without emptying. What's more it's super easy to remove and empty.

Turbo pet hair nozzle

Turn the task of lifting pet hair from carpet into a breeze.

Hard Floor Tool

Clean any hard floor surface without fear of leaving scratches or marks.

Washable HEPA filtration

Helps to maintain a healthier home environment.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
