# How to Access Samsung EPP Site via SSO Access Code

### Step 1: You Registered to Access Samsung Education Store via Survey Form

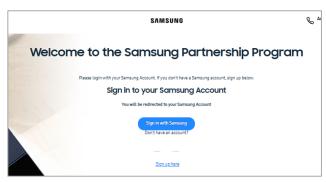

If you are a student or educator, and your organization email is generic, or a non-institutional email address (e.g., <a href="mailto:abc@gmail.com">abc@gmail.com</a>, <a href="mailto:yahoo.com">yahoo.com</a>, <a href="mailto:singnet.com">singnet.com</a>, <a href="mailto:hotmail.com">hotmail.com</a> etc).

It is also likely that you previously registered to access Samsung Edu Store via a survey form sent through your organisation. If you completed the survey form, you would have received a one-time access code sent to your organization email.

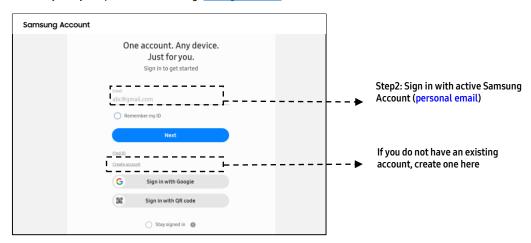

#### Step 2: Visit the Samsung EPP Portal

Go to: <a href="https://www.samsung.com/sg/multistore/samsung\_education\_sg">https://www.samsung.com/sg/multistore/samsung\_education\_sg</a>

#### Step 3: Create a Samsung Account

Click Sign In with Samsung Account or choose Create Account if you don't already have one. You may use your personal email (e.g. <u>abc@gmail.com</u>) for account creation.

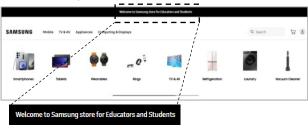

## Step 4: Log-in via SSO Access Code

Enter your one-time access code under the SSO Access Code Section

Once verified, you will have full access to exclusive EPP offers and promotions!

You are on the EPP site when you see this site description
