

SET UP INSTRUCTIONS

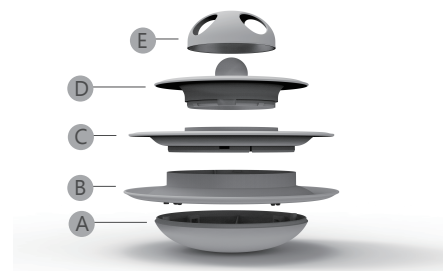

For cat tracks model 305928/345926

Step 1

Set part A on a flat surface.

Line up the hooks with the slots on each track to snap them into place. Follow the alphabet: Part B goes on top of part A, and then part C and part D.

Place one ball in part D, then install part E.

Step 2

Insert the top piece into the hole at the top of the tracks, and push into place. To replace the top piece, simply push firmly from underneath the piece to remove it.

*Each cat tracks includes a unique top piece; yours may vary from the one pictured.

Step 3

Insert the rolling balls onto the remaining tracks, however kitty likes them.

CARE INSTRUCTIONS

Wipe with a damp cloth to clean.

ATTENTION! No toy is indestructible. Supervise your pet when using since small parts can present a choking hazard or internal blockage. Discontinue use if the toy is damaged. Keep out of reach of children.
