TOOL CART

MODEL: T271802

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

IMPORTANT SAFETY INSTRUCTIONS

	Warning - To reduce the risk of injury, user must read instructions manual carefully.
	This symbol, placed before a safety comment, indicates a kind of precaution, warning, or danger. Ignoring this warning may lead to an accident. To reduce the risk of injury, fire, or electrocution, please always follow the recommendations shown below.
	Warning- Be sure to wear gloves when using this product.

WARNING!

- 1) Keep this manual for the safety warnings and precautions. The manual offers important information on how to assemble, use and maintain this product.
- 2) Please handle metal edges carefully.
- 3) DO NOT stand on this product or use it as a ladder.
- 4) DO NOT alter this product in any manner that is not intended, as this may cause product damage or personal injury.
- 5) Always assemble on an even surface.
- 6) The maximum loaded weight on the tool cart is no more than 400lbs, evenly distributed.
- 7) Bind the goods with the cart tightly with the Tie-down strap before moving.

ASSEMBLY PRECAUTIONS

1. Please assemble the product in strict accordance with the instructions. Incorrect assembly could be hazardous.
2. Please wear safety goggles and work gloves properly during assembly.
3. Do not try to assemble the product when feeling tired or when under the influence of alcohol, drugs or medication.
4. Load-bearing capacity and other product parameters are applied to the properly and completely assembled product only.

5. A Philips screwdriver, an open end wrench 14# and a pair of gloves may also be used (Not included in the carton).

USE PRECAUTIONS

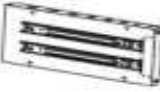

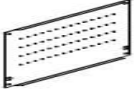

1. This product is not a toy. Do not allow children to play with or get access to this item.
2. Check carefully before use. Do not use if parts get loosened or damaged.
3. Use on flat and hard surfaces only.
4. Do not exceed the listed load-bearing capacity. Tighten all the knobs securely before placing weights on them. Be aware of the dynamic load-bearing capacity! Sudden load changes may temporarily cause excessive load, resulting in product failure.

6	Right drawer mounting plate		1	15	Rigid Caster		2
7	Pegboard		2	16	Bolt M8*20		16
8	Upright		4	17	Bolt M6*12		52
9	Beam		2	18	Nut M6		32

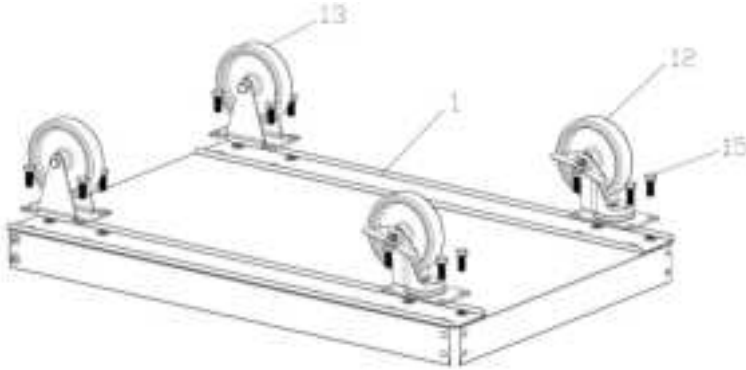

Attention:

For additional information regarding the parts listed below, please refer to the assembly diagram in this manual. Unwrap and separate all parts in a clear work area.

ASSEMBLY STEP

Step 1: Assembly the Casters.

1. Turn over the Bottom shelf 1#.
2. Assemble the Casters 12#&13# with Bolts 15# as shown.

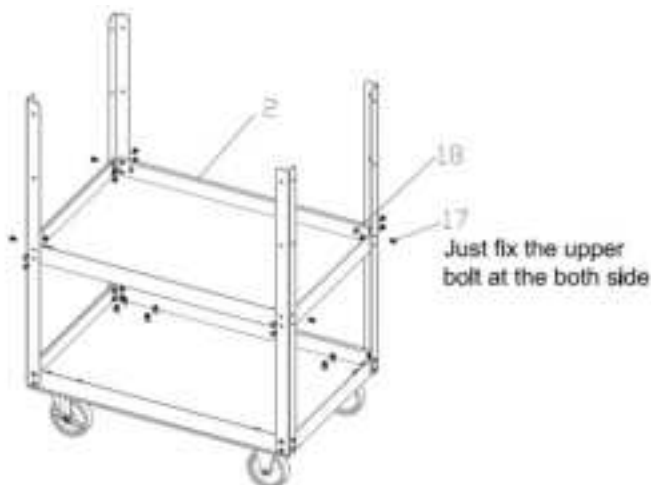

Step 2: Assembly the Upright 8#.

1. Turn over the Bottom shelf and put the Casters on the ground.
2. Assembly the Uprights 8# with Bolt 17# and Nut 18#, attention to the Uprights direction, and don't lock the bolt too tight.

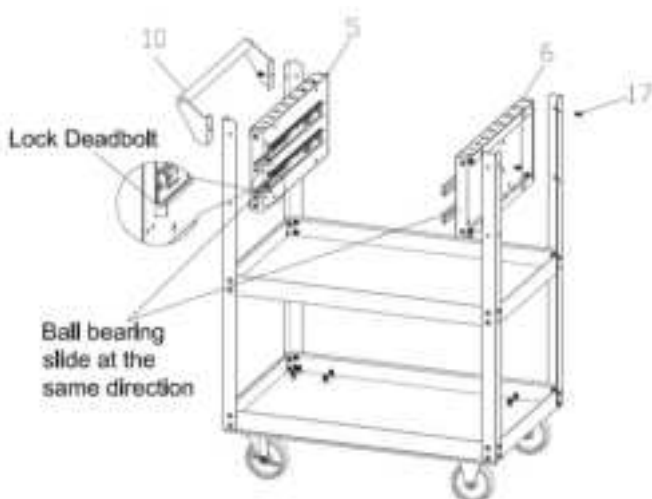

Step 3: Assembly the Middle shelf 2#.

1. Put the Middle shelf 2# as shown and fix with Bolt 17# and Nut 18#; attention: just fix the upper bolts on the both sides first, and don't lock the bolt too tight.

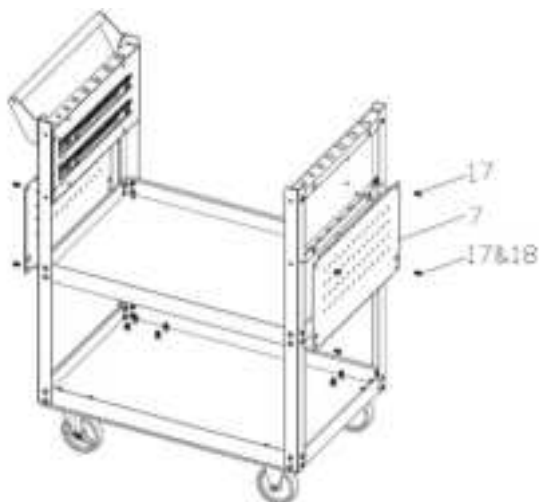

Step 4: Assembly the mounting plates 5#&6#, and Handle 10#.

1. Assembly the Left drawer mounting plate 5#, Right mounting plate 6# and Handle 10# with Bolt 17# as shown; attention the Left mounting plate has a lock, and put the ball bearing slide in the same direction; just fix the upper bolts first, and don't lock the bolt too tight.

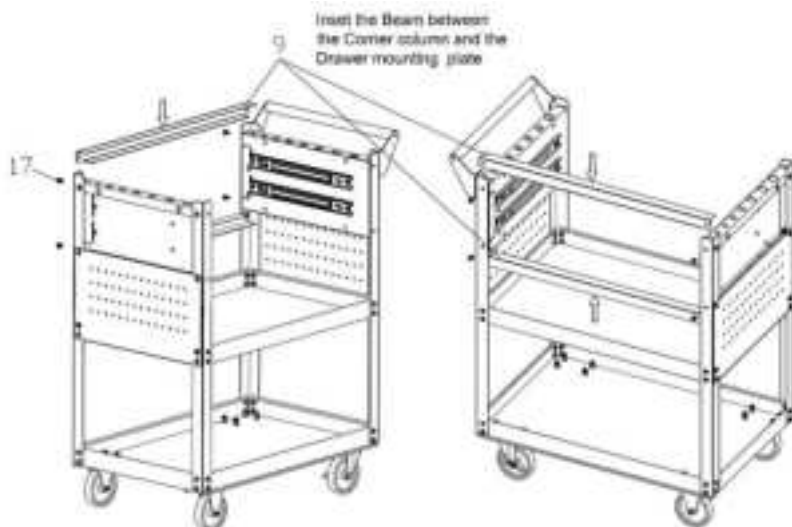

Step 5: Assembly the Pegboard 7# with bolt 17#.

2. 1. Put the Pegboard 7# as shown and fix with Bolt 17#, and don't lock the bolt too tight.

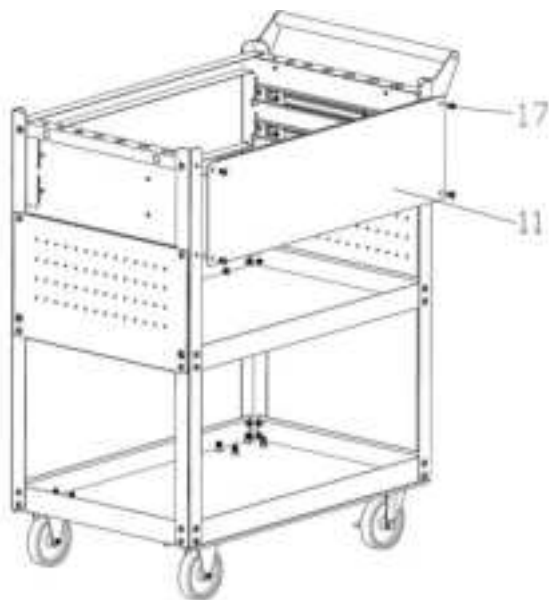

Step 6: Assembly the Beam 9# and Back board 11# with Bolt 17#.

1. Inset the Beam 9# between the Upright and the drawer mounting plate as shown and fix with Bolt 17#, Attention to the ball bearing slide and the Top shelf's hole in the same direction.

Step 7: Assembly the Back board 11#.

1. Put the Back board 11# as shown and fix with Bolt 17#.

Step 8: Assembly the Top shelf 3#.

1. Put the Top shelf 3# as shown and fix with Bolt 17#, then fix all the bolts tight.

Step 9: Assembly the Drawer 4# and EVA.

1. Pull out the ball bearing slides and put the Drawer into it as shown, then put the Top EVA 12# and Drawer EVA 13# in their place.

Step 10: Assembly complete.

Note: During installation, do not tighten the screws until all parts are installed.
