GE® 4.6 cu. ft. Capacity Smart Front Load ENERGY STAR® Washer with UltraFresh Vent System

Special Installation Requirements

Stacked Installation:
Brackets for stacking dryer over washer are not included with the washer.
Order part no. GFA28KITN.

Alcove Or Closet Installation:

– Minimum clearances between washer cabinet and adjacent walls or other surfaces are: 0" all sides and top.*

– Closet doors must be louvered or otherwise ventilated and must contain a minimum of 60 sq. in. of open area equally distributed. If this closet contains both a washer and a dryer, doors must contain a minimum of 120 sq. in. of open area equally distributed.

No other fuel-burning appliance shall be installed in the same closet with a gas dryer.

– If your washer is approved for installation in an alcove or closet, it will be stated on a label on the washer back.

– The dryer MUST be exhausted to the outside.

Bathroom Or Bedroom Installation:

– The installation must conform with the local codes, or in the absence of local codes, with the National Electric Code and National Plumbing Code, ANSI Z223 for gas dryers.

For More Information On Venting Kits And Accessories, Please Call 1-800-GE-CARES.

*For improved performance, a 1/2" clearance is suggested on each side.
**Accessories sold separately.

GE® 4.6 cu. ft. Capacity Smart Front Load ENERGY STAR® Washer with UltraFresh Vent System

Features and Benefits

UltraFresh Vent System with OdorBlock™ – The first and only UltraFresh Vent System with OdorBlock™ eliminates excess moisture to help prevent odors ensuring your washer stays fresh and clean

Microban® Antimicrobial Technology – Get protection that lives on load after load with antimicrobial technology built into components, including the gasket, dispenser and draining system

Quick Wash Cycle – Provides a fast 20-minute wash for lightly soiled items

Dynamic Balancing Technology (dBT) – Our patented time-saving technology senses and rebalances uneven loads during the spin cycle, providing a quiet wash

WiFi Powered By SmartHQ™ – Start, stop and monitor your laundry from anywhere while receiving real-time notifications and updates

Tumble Care Option – Periodically tumble clean clothes at the end of a cycle for up to 8 hours, keeping them fresh and ready for the dryer

More Water Option – For bulky items like a king-sized comforter or for heavily soiled loads, the More Water option adds up to 3 additional gallons of water for a deep-water wash and rinse

Shallow-Depth Washer – Never compromise on convenience with this 32" shallow-depth washer that easily fits into tight spaces like an alcove or closet, making it a suitable solution for homes of any size

Sanitize with Oxi – Remove 99% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best

10-year Limited Warranty – Rest assured knowing your washer is backed by a 10-year warranty

Large-Capacity Washer – Power through laundry day in less time with a large capacity washer that fits more in every load. The 4.6 cu. ft. capacity can easily accommodate bulky items or large loads

Model GFW350SSYWW – White
