HP Edgeline Supplies

Designed for high-performance, heavy-duty printing, HP Edgeline Technology delivers high reliability, fast speeds, consistently high print quality, leading hardware costs and low cost per page.

You get reliable
performance and
professional, resilient
prints every time.

Reliability saves time, which
saves money.

HP Edgeline Technology was designed from conception to combine the best features of ink and laser technology to provide high performance, high reliability, exceptional image quality and low cost of ownership.

HP Inkjet Supplies

HP inkjet cartridges are more than just a container of ink; they are an ingenious union of sophisticated printheads and proprietary inks designed to work together.

Original HP inkjet
print cartridges are
better for your business.
They are #1 in reliability.
Bargain ink is no
bargain at all.¹

Clear choice—HP for everything
you print.

Through our breakthrough HP ink technology, you receive brilliant true-to-life color, permanence and durability for virtually every business need. We have created four ink families to match your printing needs.

¹ Based on a 2007 Cartridge Reliability Study by QualityLogic, Inc. and commissioned by HP. Testing performed on HP 96, 97, 56 and 57 Inkjet Print Cartridges. Individual results may vary.
See www.hp.com/go/suppliesreliability for full details.

HP Small-format Paper

HP Paper is matched with HP printers and print cartridges to bring exceptional quality to all your printing creations—photos, brochures, flyers, presentations, reports and more.

Get professional results with HP Paper.

From professional-looking graphics to high-quality presentations and crisp black text, HP has a paper that will perform for all of your printing needs. HP Paper is specifically designed to increase your productivity with benefits like less jamming. Breakthroughs in HP paper and ink technology enable photographs to resist fading for generations, longer than most traditionally processed color photos.¹

¹ Based on Wilhelm Imaging Research, Inc., light fade testing under glass using the HP 58 Photo Inkjet Print Cartridge on HP Premium Plus Photo Paper.

HP Professional Papers

Optimized for either HP inkjet or LaserJet printers, HP Professional papers are designed for HP printers and print cartridges to work together to deliver vibrant colors, photo-quality images and exceptional reliability. HP Professional papers allow you to perfectly tailor your image and message to your audience. You can now easily create impressive professional outsource-quality documents in-house including brochures, flyers, postcards, proposals, presentations or photos. Available in various finishes, brightnesses and weights, you can always count on HP Professional papers to easily and effectively communicate any message while making you look great.

HP Professional Papers • Inkjet Printers

HP Everyday Papers

Exclusively from HP Everyday Papers: ColorLok® technology

For consistent, high-quality documents from all your office printers and copiers, rely on papers with ColorLok technology. With inkjet printers, ColorLok papers provide more vivid colors, bolder blacks and faster drying time. And with all other printers and copiers, you'll get consistent, high-quality results. ColorLok technology is standard on select HP Everyday Papers.

HP Photo Papers

HP has crafted a broad range of photo paper types and sizes for all photo printing needs. For professional-image quality on important business documents to casual photo printing for the home photo enthusiast, HP Photo Papers are designed to work with HP printers and inks to deliver sharp, colorful, true-to-life photos. HP Photo Papers are also easy to use, resist fading, and are quick drying and smudge proof. Using a patented process, HP Photo Papers provide precise dye placement, quick ink absorption and the right level of gloss or matte for rich, realistic photo reproduction

HP Designjet Ink Supplies

Specially formulated HP Designjet dye-based and UV pigment-based ink supplies bond perfectly on HP large-format printing material to produce uniform fills, sharply defined lines, and crisp, clear text. Get great results every time you use HP Designjet printers, pigment and dye ink supplies, and printing material.

Engineered and tested to ensure uncompromising quality

HP Designjet ink supplies feature HP Smart Printing Technology and modular ink-delivery systems—high-capacity ink cartridges and long-life printheads—to give you uncompromising image quality with superb printing economy.

HP Large-format Printing Material

Whether you're looking to produce outdoor or indoor signs, backlit displays, CAD designs, fine art or photographic exhibits, the HP large-format media portfolio can deliver it all.

HP Designjet printing system—the complete solution

HP large-format printing materials are technological innovations—compatible with many industry large-format printers and HP Designjet printers. Better yet, they deliver uncompromising image quality, consistency, performance and durability—at a competitive price.

HP Suppliesinfo

Your online sales partner!

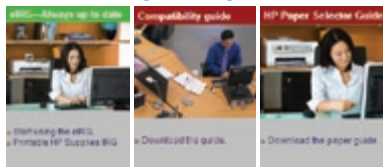

Looking for an advantage over your competitors while growing sales of HP-branded supplies? Suppliesinfo has the information you need, when you need it!

Find it quickly. Use it now.

We're continually growing and changing the Suppliesinfo site to bring you a better user experience and to provide the latest and most current information available on topics you need today. Through 2009 and into 2010, you'll see the launch of new online interactive training courses, introductions of new sales tools, and the continued expansion of our library of online reference documents. From toner and ink to storage media and In-house Printing, you'll find it all quickly and easily on Suppliesinfo.

Got a challenge? Bring it on!

Want to amaze your customers with your expertise? On Suppliesinfo, you'll find all the sales tools you need to answer even the most

challenging request. Looking for the right toner cartridge to recommend? Check out the eIRG, the electronic version of the HP Printing & Digital Imaging Products Reference Guide. It's updated weekly; you can't get more current information than that! Need to find the right paper for an in-house printing project? You'll find just what your customers need with the online HP Paper Selector Guide. Working with only a model or part number? With the HP Supplies Finder, you'll be able to quickly find the right supplies for your customers. Just type in the information and hit enter—it's that simple!

And make sure to recommend Suppliesinfo to your marketing team. They'll find a variety of marketing tools such as PDFs, presentations, and advertisements online and available for download!

Training = sales!

Visit the Suppliesinfo Announcements Sign-up page to see what's new or coming soon!

Our training courses show you how to make more sales in less time. You'll learn how to position and sell HP Original supplies and dispel the myths of remanufactured cartridges. Fielding questions on environmental issues? Suppliesinfo has training and an entire library of reference materials dedicated to HP's environmental initiatives. Earn loyal customers and repeat business by learning more about partner programs such as PurchasEdge and In-house Printing. The more you know, the more valuable you'll be to your customers!

Not registered? It's quick and easy!

Register now at www.suppliesinfo.com to get access to all the programs and sales tools designed to help you sell more and grow your business.

Questions? Contact Suppliesinfo Customer Support at support@suppliesinfo.com.

HP PurchasEdge

DESIGNED WITH THE ENVIRONMENT IN MIND

HPeCOSOLUTIONS

We provide inventive, high quality printing supplies and take the environment into consideration at every stage of the lifecycle—from the very first stages of product design through manufacturing, distribution, customer use and recycling.

Through design innovation, HP print cartridges have been engineered to use recycled plastic and still meet HP's demanding standards for quality and reliability. In 2008, HP used 12.9 million pounds of recycled plastic in the manufacture of Original HP print cartridges.

HIT PRINT

HP helps you recycle your print cartridges—
it's easy and free with the HP Planet Partners
program www.hp.com/recycle
