General instruction:

Charging Instructions:

   Connect the one end of the power cable to Headphone and connect the other end to a rated **DC 5V** adapter. The Led glows when it is charging.

BT Mode:

   Turn on the Headphone and BT on your phone or tablet.   Now search for nearby BT devices and tap on **ZEB-THUNDER** to connect it.

AUX-IN:

    The Headphone can be connected to an audio source using a 3.5mm cable. Connect the one end of the cable to the Headphone and the other end to an audio source. The songs from the audio source can be heard through the headphone.

mSD input:

The Headphone automatically switches to mSD input mode when a mSD Card is inserted. The songs from the audio source can be heard through the Headphone (this mode isn't selectable on the Headphone unless a mSD card is inserted). Press The +◀ button to switch to previous audio track and Press the ▶− Button to switch to audio track.

Call Function:

Calling function can be controlled using the inbuilt Buttons which is present on the Headphone.

• double press the 📞 button to accept the Call.

• Press and hold the 📞 Button for few seconds to reject the call.

• Double press the 📞 button to redial a call.
