

UniCam® Connector Standard-Performance Installation Toolkit Basic, LC, SC, ST® compatible

CORNING

Part Number: TKT-UNICAM

The standard UniCam® connector installation tool kit (TKT-UNICAM) is a basic installation tool kit used to terminate all UniCam connector styles (SC, LC and ST compatible connectors). UniCam high-performance multimode connectors (SC, LC and ST compatible) can achieve their optical specifications with the use of this kit. A convenient carrying bag is provided with all the components necessary to terminate UniCam connectors.

The TKT-UNICAM can also be upgraded with a visual fault locator (VFL-350) that provides a visual feedback feature when terminating connectors. The installer can watch an amber glow in the back of the connector to dim or disappear indicating proper mating of the field fiber to fiber stub within the connector. This is very useful for training new installers and reducing scrap rates.

Features and Benefits

Terminates single-mode and multimode fibers

Various installation options

Convenient carrying case

Minimizes setup and teardown time

UniCam® Connector Installation Tool Kit, Basic, LC, SC, ST® compatible

UniCam® Connector Standard-Performance Installation Toolkit Basic, LC, SC, ST® compatible

Specifications

General Specifications

Product Type	Connector Tools and Toolkits
Compatibility	LC, SC and ST® compatible
Technology	No-Epoxy/No-Polish

Standards

RoHS	Free of hazardous substances according to RoHS 2011/65/EU
Approvals and Listings	Passed EIA/TIA 568-B.3

Dimensions

Height	24.13 cm
Width	12.7 cm
Depth	34.5 cm
Weight	2.3 kg

Ordering Information

Product Number	TKT-UNICAM
EAN Code	4042673243274
Package Contents	UniCam® Installation Tool, Cleaver, Continuity Test Set (CTS) Installation Tool, CTS Adapters, SC UPC/ST® compatible UPC Jumper, LC UPC/ST Compatible UPC Jumper, Gauge Card, Fiber Preparation Tools, Fiber Cleaning Tools
Units per Delivery	1/1
Shipping Height	241.3 cm
Shipping Width	127 cm
Shipping Depth	345 cm
