

## The Kent Bed

The Kent Bed's rounded geometries create a sense of softness and tranquility. The design is tightly upholstered to emphasize its curved corners and foot rail, and it sits atop a plinth base with lathe-turned legs. Handcrafted in North Carolina.

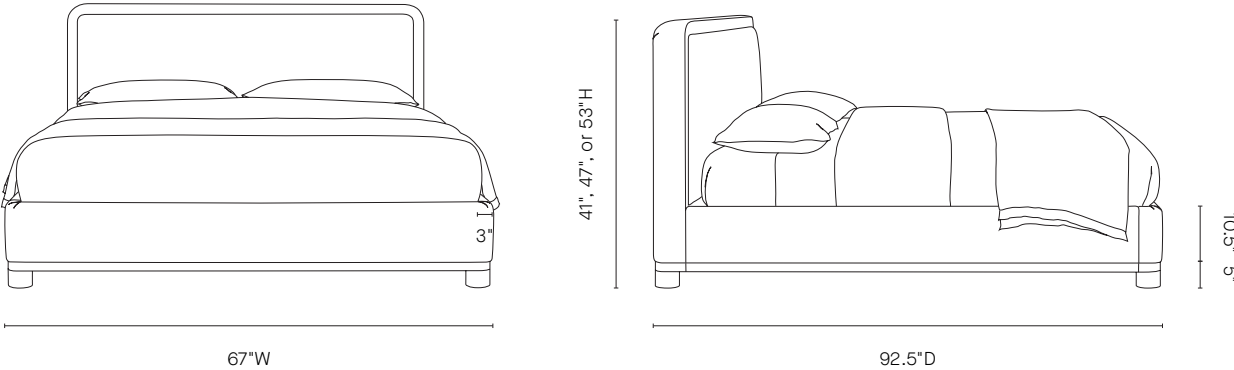

The Kent Bed

**Materials** Fabric or leather upholstery  
Kiln-dried white oak base and legs

**Custom** Contact [design@maidenhome.com](mailto:design@maidenhome.com) for more information about customization options or COM/COL.
