

# Xbox One / Series S / X® Twin Battery Pack and 3m Charging Cable

## CONTENTS:

x1 USB C -Type Charging Cable 3m  
x2 NiMH Rechargeable batteries

## FEATURES:

- Intelligent Micro Controlled Charging technology
- Charging indicators show charging status
- 2 batteries supplied
- Long 3m charging cable allowing you to play and charge simultaneously

## SAFETY INFORMATION:

- Do NOT short circuit or burn
- This is NOT a toy
- Keep dry at all times. Do NOT immerse in liquids
- For indoor use only
- Do NOT attempt to disassemble. Does not contain serviceable parts
- Avoid dropping, shaking or any hard impacts on the product
- Do NOT attempt to plug foreign objects into the product
- Before disconnecting, always switch the product off first

## SETUP:

1. To charge your Xbox One / Series S / X® battery simply insert the supplied USB C-Type charging cable into the Port located on the battery pack.
2. Then insert the USB cable into an available port on your console.
3. Charging is indicated by an illuminated Blue LED on the battery
4. When fully charged the LED will be extinguished.
5. Simply place the battery into the controller's battery compartment.
6. Playing charging can take place simultaneously but this will lengthen the time it takes to charge the battery.

## TECHNICAL DETAILS:

Input: DC 5V 2A

Battery Capacity: 600mAh NiMH

## TECHNICAL SUPPORT

## WARRANTY INFORMATION

Worldwide, Rubber Road Ltd warrants to the consumer that all Numskull products will be free from material defects and manufacturing flaws for a period of one (1) year from the original date of purchase. Should the product appear to be defective during the warranty period, immediately contact Technical Support, who will indicate the procedure to follow. If the defect is confirmed, the product must be returned to its place of purchase (or any other location indicated by Technical Support).

Within the context of this warranty, the consumer’s defective product will, at Technical Supports option, be either repaired or replaced. Where authorized by applicable law, the full liability of Rubber Road and its subsidiaries (including for indirect damages) is limited to the repair or replacement of the Numskull product. The consumer’s legal rights with respect to legislation applicable to the sale of consumer goods are not affected by this warranty.

This warranty shall not apply: (1) if the product has been modified, opened, altered or has suffered damage as a result of inappropriate or abusive use, negligence, an accident, normal wear, or any other cause not related to a material defect or manufacturing flaw; (2) in the event of failure to comply with the instructions provided by Technical Support; (3) to software not published by Rubber Road, said software being subject to a specific warrant provided by its publisher.

## ENVIRONMENTAL PROTECTION RECOMMENDATION

At the end of its working life, this product should not be disposed of with standard household waste, but rather dropped off at a collection point for the disposal of Waste Electrical and Electronic Equipment (WEEE) for recycling.

This is confirmed by the symbol found on the product, user manual or packaging. Depending on their characteristics, the materials may be recycled. Through recycling and other forms of processing Waste Electrical and Electronic Equipment, you can make a significant contribution towards helping to protect the environment. Please contact your local authorities for information on the collection point nearest you.
