All other Kwikset & Kwikset Signature knob and lever products use half-round plain and deadlatches.

Plainlatches are used with passage and privacy functions. Deadlatches are used with entry functions.

All fronts are 2-1/4" high.

For fire rating, UL latches must be used with UL listed locksets and applicable strikes. UL Kwikset and Kwikset Signatures are rated for 3 hours, unless otherwise specified.

Optional UL 1/3 hour fire rating is available for all functions (FD).
