Only 4 Steps to Start Auto Back up

Step 1: Download and Install "iStore Pro" App on iPhone/iPad/Android Phone.
For iPhone/iPad, please search "iStore Pro" on App store to download,
For Android, please search "iStore Pro" on google play store to download.

Step 2: Plug this auto backup cube in your Phone charging adapter or USB A port socket
(Please insert the micro SD card into the slot of auto backup adapter. Or insert your USB flash drive into the "USB Memory" port.)

Step 3: Connect to iPhone (iPad/Android) with power cable.
Step 4: The photo backup adapter will be backing up automatically while phone's charging starts.

Please use a genuine Apple USB power adapter and cable. Supports USB Type C to USB A conversion adapter if the adapter is a USB C port.

If you have more operation question, please do not hesitate to contact us.
We will help you to solve it.
Thanks and best regards!
