

ASSEMBLY INSTRUCTIONS QUEEN

Dear Customer :

Thanks a lot for choosing our product. Please read each step carefully. It's very important that each step of the instructions is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

NOTICE:

-Please retain these instructions for future reference.

-Please read the instruction sheets completely before assembly. Remove all parts from the carton and ensure all components are included before assembly.

-Assemble the bed on a protected surface to avoid scratching the components of the bed. Be careful not to cross-thread screws. Please use a piece of the cardboard packaging to protect your floor and product.

-Two people are recommended for assembly!

-Don't tighten all screws before you have installed all the parts of the bed.

-When you assemble your bed, if you smell a weird smell of the material, please don't worry it's very Normal. What you should do is to air it for 1 or 2 days on your balcony, patio, or near your window. Our bed has been certified by the environment authority. So please don't worry it won't hurt your health, it's completely safe.

GENERAL ASSEMBLY GUIDELINES

Before your installation, please make sure that you have all the parts listed on the manual. If you find something missing, stop installing and contact your supplier immediately.

Tips:

- Don't tighten the screws one after another immediately until all screws are lined up with holes. Leave some space for adjustment.
- Screws may be not lined up with the holes. However, if that happens, please loose the screws a little and then tighten them in a diagonal way again.
- If the product is uneven or unstable after assembly, please loosen the screws, and put strength on it to make sure that .
- Remove all parts from the carton and place them on a protected surface or carpet.
