See Farther, See More

50X Ultra Zoom

5X optical zoom and 10X hybrid zoom<sup>\*2</sup> <sup>\*3</sup> lets you bring far away subjects closer, and even at 50X zoom, you can capture a clear and steady shot. That means you can capture epic shots no matter how far away your subject is.

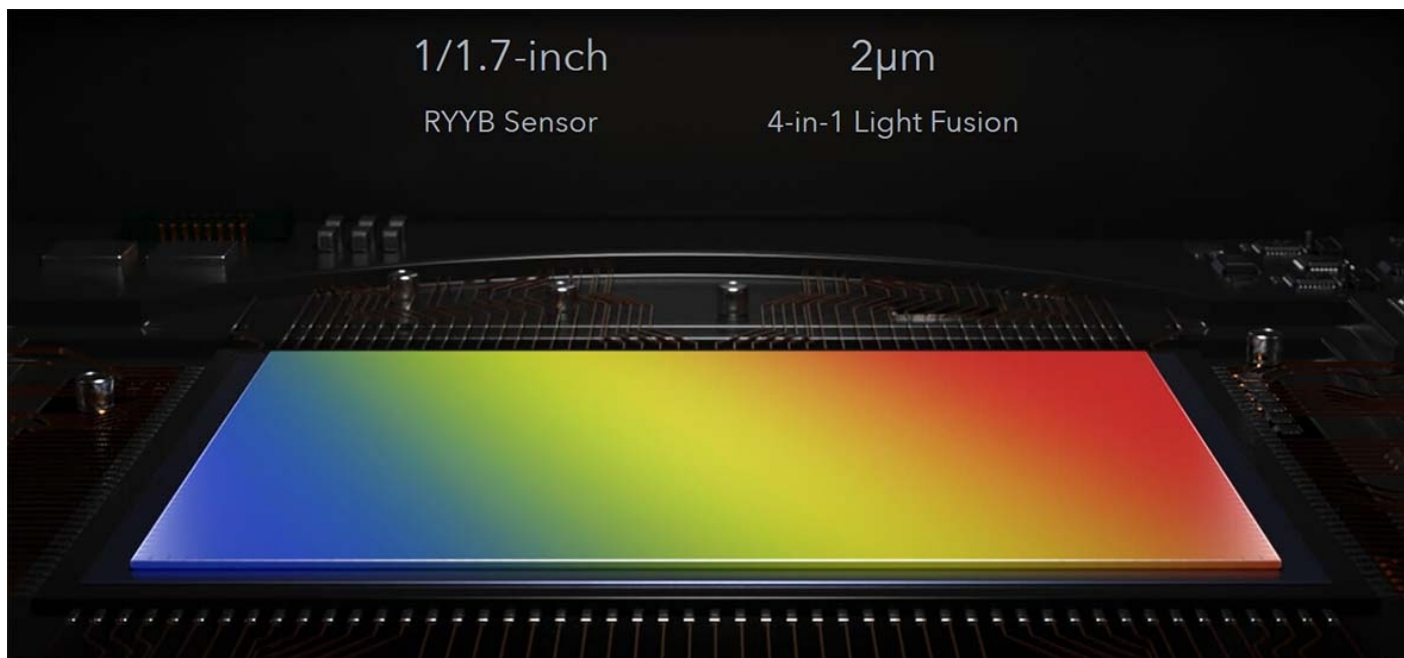

The periscope OIS system<sup>\*4</sup> combine with AI telephoto stabilisation, gives you the freedom to zoom into your subject, steadily.

Capture the Night

40MP SuperSensing Camera

Powered the latest IMX600 RYYB sensor, you can capture brighter and more detailed night scenes with just a single tap.

### 32MP Front Camera

HONOR 30's 32MP front camera uses AI beautify algorithms and its depth assist camera to create a shallow depth of field and bokeh effect for stunningly gorgeous and creative results even in low-light.

### Next-gen Flagship Performance

#### Kirin 985 5G Chipset

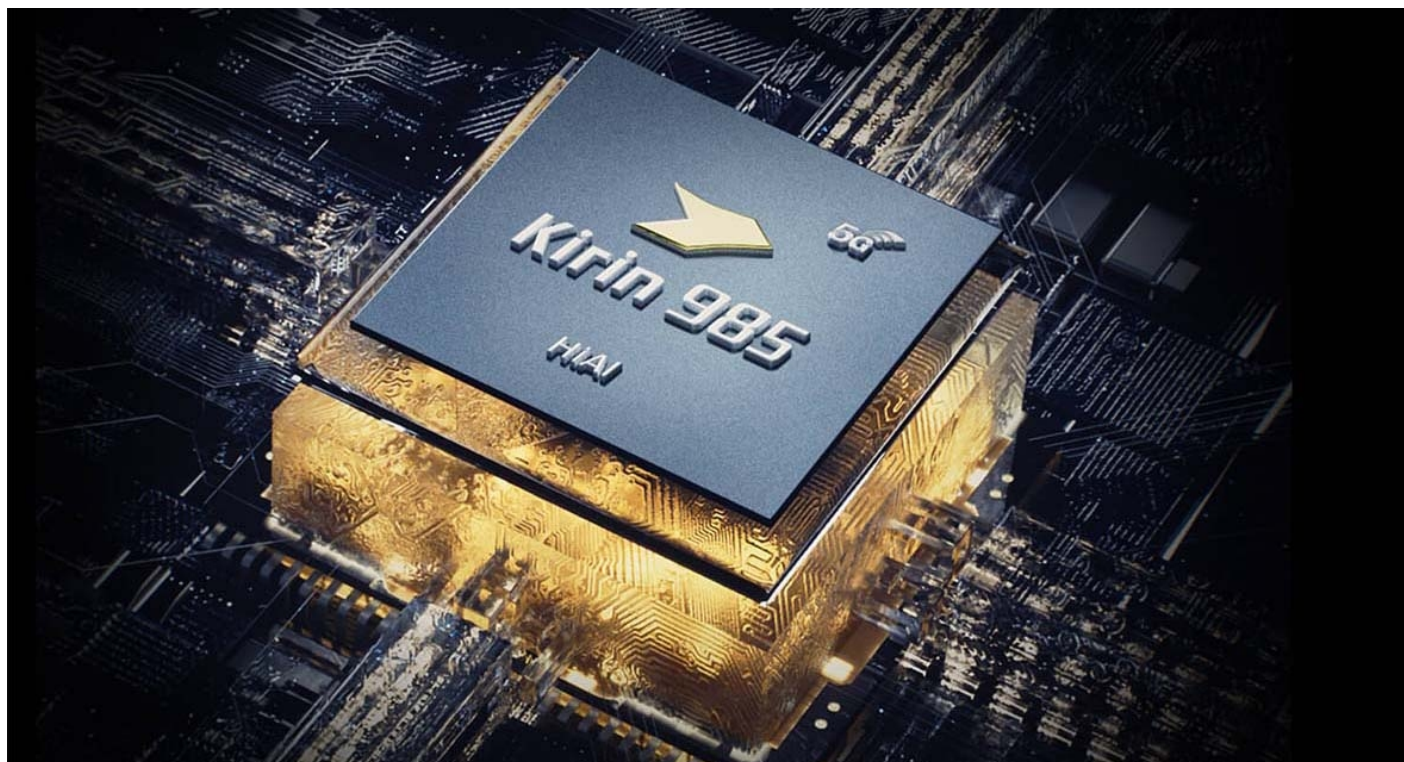

Kirin 985 5G chipset features powerful CPU architectures and advanced NPU architecture; everything you do on HONOR 30 feels fast and smooth.

\* 5G Connectivity

\* 7nm Technology

\* Big-core + Tiny-core NPU

\* G77 Architecture GPU

\* 5G services are available only in 5G-ready countries in 5G network enabled locations. Actual experience may vary depending on carrier, locations, and environment.

### Enter into the 5G Era

The HONOR 30 supports 5G on the major networks. With the dual SIM cards setup, you can have one card is set as the main card capable of supporting 5G while another card supporting 4G/3G/2G<sup>\*5</sup> on the other. HONOR 30 is ready for all your life, work, and entertainment needs.

**40W HONOR SuperCharge**

**30 TÜV Rheinland Certified\***<sup>6</sup>

Say goodbye to battery anxiety. With the 40W HONOR SuperCharge, you can charge up to 75% in as little as 30 minutes.

**Note:**

- \*1. The HONOR FullView Display refers to the phone's notch-less narrow-bezel design, which generates an extremely high screen-to-body ratio. Screen size is 6.53" in the full rectangle when measured diagonally.
- \*2. 5X refers to optical zoom. The cameras has the focal length of 17mm, 27mm, and 125mm.
- \*3. All three lenses operate in tandem, achieving 10x hybrid zoom.
- \*4. The periscope OIS system is engineered to stabilise telephoto camera clarity when zooming.
- \*5. Dual SIM cards refers to when one card is set as the main card capable of supporting 5G while another card supporting 4G/3G/2G.
- \*6. TÜV Rheinland refers to fast charging 1 year certification. Scan the QR code on the box for more information.
