TIPS

- 1.Keep open flame away and keep dry
- 2.Avoid scratching the surface with sharp tools or knives when using it
- 3.Avoid placing heavy objects on the surface of the lap desk for a long time, otherwise it will be deformed
- 4.Don't place the lap desk in front of uncovered windows, vents or fireplaces, as the light and heat can damage and fade the wood
- 5.Corrosive chemicals such as "acids and alkalis" are strictly forbidden to touch the surface of the furniture.
- 6.Clean regularly
