	<p><b>&lt;ZEN DD motor&gt;</b>                      A high performance motor that rotates the drum directly, giving you a peace of mind in doing laundry, reducing noise propagation. In addition, it's more than 30%<sup>#</sup> energy saving than a normal non-inverter motor.</p>
	<p><b>&lt;All-round antiseptic protection&gt;</b>                      A hygienic environment for washing to take place - antiseptic impeller, filter box and tub surroundings for all-round protections. Tested to be 99.99%<sup>^</sup> antiseptic.</p>
	<p><b>&lt;Wash+AirDry&gt;</b>                      This program adds extra air dry phase after wash to blow in fresh air, removing moistures. Result is more than 15%<sup>*</sup> drier than a normal wash, saving your time in line drying.</p>
	<p><b>&lt;Autostart&gt;</b>                      AutoStart - an automatic program powered by 6th SENSE technology at the touch of a button in just 3 seconds - simple and easy!</p>
