

EQ6

HAND-HELD VACUUM CLEANER

INSTRUCTION MANUAL

TT-EQ6

www.zline-world.com

Thank you for choosing **EQ6** Powerful and portable Hand-Hold Vacuum by **TurboTronic®**.

EQ6 Handheld Vacuum makes it easy to pick up messes quickly without the hassle of cords. This 11.1V Lithium incorporates lithium technology for strong suction. The lightweight and portable design makes this handheld vacuum easy to use. The translucent, bagless dirt bowl makes it easy to see the dirt level and is simple to empty.

Cordless and lightweight design helps you to fully enjoy movement freedom and easy clean-up wherever you go.

EQ6 cleans even the tougher areas such as stairs, Upholstery, Furniture, Cars, Liquids and more.

Your local recycling center will take it down.

Maintenance

if this product fails, please be sure to have professional repair.

Disposal of old electrical appliances

The European directive 2002/96/EC on Waste Electrical and Electronic Equipment (WEEE), requires that old household electrical appliances must not be disposed of in the normal unsorted municipal waste stream. Old appliances must be collected separately in order to optimize the recovery and recycling of the materials they contain, and reduce the impact on human health and the environment.

The crossed out “wheeled bin” symbol on the product reminds you of your obligation, that when you dispose of the appliance, it must be separately collected.

Consumers should contact their local authority or retailer for information concerning the correct disposal of their old appliance.

LIMITED WARRANTY

Limited Warranty applies to purchases made from authorized retailers of **TurboTronic®**.

TurboTronic® Warranty coverage applies to the original owner and to the original product only and is not transferable.

TurboTronic® warrants that the unit shall be free from defects in material and workmanship. Limited Warranty apply only when it is used under normal household conditions and maintained according to the requirements outlined in the Owner's Guide, subject to the following

conditions and exclusions:

What is covered by this warranty?

1. The original unit and/or non-wearable parts deemed defective, in **TurboTronic®** sole discretion, will be repaired or replaced
2. **TurboTronic®** reserves the right to replace the unit with one of equal or greater value.

What is not covered by this warranty?

1. Normal wear and tear of wearable parts (such as blending vessels, lids, cups, blades, blender bases, removable pots, racks, pans, etc.), which require regular maintenance and/or replacement to ensure the proper functioning of your unit, are not covered by this warranty.
2. Any unit that has been tampered with or used for commercial purposes.
3. Damage caused by misuse, abuse, negligent handling, failure to perform required maintenance (e.g., failure to keep the well of the motor base clear of food spills and other debris), or damage due to mishandling in transit.
4. Consequential and incidental damages.
5. Defects caused by repair persons not authorized by **TurboTronic®**. These defects include damages caused in the process of shipping, altering, or repairing the **TurboTronic®** product (or any of its parts) when the repair is performed by a repair person not authorized by **TurboTronic®**.
6. Products purchased, used, or operated outside Europe.
