Galaxy Watch4 Classic

Get connected

Download the
Galaxy Wearable app
to connect your device
and smartphone.

Activate your Galaxy Watch

The Galaxy Watch4 Classic (SM-R885U & SM-R895U) and the Galaxy Watch4 (SM-R865U & SM-R875U) are 4G LTE-enabled. Get texts, make and receive calls, even when you leave your phone behind. Consult your service provider for details about activation.

APPROVED FIRMWARE VERSIONS

This device will only operate with firmware versions that have been approved for use by your wireless carrier and the device manufacturer. If unauthorized firmware is placed on the device it will not function.

INFORMATION ABOUT SAFEGUARDING DEVICES

We encourage customers to take appropriate measures to secure their devices and invite them to take advantage of the features available on this device to help secure it from theft and/or other unauthorized access and use. This device has a locking function (e.g., user-defined codes or patterns) that can serve as a first line of defense against unauthorized use or access to stored information. Preloaded security applications that allow customers to track or locate misplaced devices can be found on several devices. Lost or stolen devices should be immediately reported to your wireless carrier so that proper measures can be taken to protect accounts. For additional information, visit your wireless carrier's Privacy Policy.

Terms and Conditions

Important legal information

Read this document before operating the mobile device, accessories, or software (defined collectively and individually as the “Product”) and keep it for future reference. This document contains important Terms and Conditions. Electronic acceptance, opening the packaging, use, or retention of the Product constitutes acceptance of these Terms and Conditions.

Arbitration Agreement – This Product is subject to a binding arbitration agreement between you and SAMSUNG ELECTRONICS AMERICA, INC. (“Samsung”). You can opt out of the agreement within 30 calendar days of the first consumer purchase by emailing optout@sea.samsung.com or calling 1-800-SAMSUNG (726-7864) and providing the applicable information.

The full Arbitration Agreement, Standard One-year Limited Warranty, End User License Agreement (EULA), and Health & Safety Information for your device are available online at www.samsung.com/us/support/legal/mobile

If your device required Federal Communications Commission (FCC) approval, you can view the FCC certification on the watch by opening **Settings** > **About watch** > **Device**.

Samsung Knox

For more information about Knox, please refer to: www.samsung.com/us/knox

Specific Absorption Rate (SAR) certification information

For information about SAR, visit:

Samsung mobile products and recycling

WARNING! Never dispose of batteries in a fire because they may explode. Do not disassemble, crush, puncture, heat, burn or reuse. For more recycling information, go to our website: www.samsung.com/recycling or call 1-800-SAMSUNG.

FCC Part 15 information and notices

This device complies with part 15 of the FCC Rules. Operation is subject to conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Emergency calls

Emergency calls may not be possible on all wireless mobile device networks or when certain network services and/or mobile device features are in use. Check with local service providers. If certain features are in use (e.g. call blocking) you may first need to deactivate those features before you can make an emergency call.

Exposure to Radio Frequency (RF) signals

For information, go to www.samsung.com/us/support/legal/mobile > **Health and Safety Information** > **Exposure to Radio Frequency (RF) signals**

For additional Health & Safety information, including Samsung's Knox security platform, Maintaining Dust & Water Resistance, Navigation, GPS, AGPS, and Wireless Emergency Alerts (WEA), see
