Manufacturer's Statement:

Franklin Electric BABA Compliant Products Manufactured in Wilburton, Oklahoma Facility

Statement Date: July 16, 2025

On November 15, 2021 the Build America, Buy America Act ("BABA") requirement as mandated in the Infrastructure Investment and Jobs Act Pub. L. No. 117-58, §§ 70901-52 was signed into law.

As of the date of this statement, in good faith Franklin Electric trusts the 6" and 8" motors referenced below, manufactured at Franklin Electric, 1301 Stovall Road, Wilburton, OK 74578 can meet the minimum domestic content threshold in compliance with BABA.

The percentage of domestic content can vary depending on the final design and manufacturing configuration. Supplementary analysis of domestic content for specific SKUs can be requested for an additional charge once the order is placed, and submittals are created during the procurement process.

Size	Family	PN Series
6" Encapsulated	Single Phase	226-
	3 Phase	*236-
	3 Phase High Temp	276-
8" Encapsulated	3 Phase	239-
	3 Phase High Temp	279-

*6" MagForce High Efficiency Motors are excluded from this submersible motor BABA acknowledgment
