Bluetooth Remote Instruction

Step 1 Pairing

A. Turn the remote on with the power switch located at the side. The blue LED light will flicker.

B. Turn on your phone's Bluetooth setting & connect to "UBeesize" in the available devices list. The blue LED light will stop flickering when connected.

Step2 Using

Open your phone's camera app. Press the button associated with your phone's operating system (iOS for iPhone, Android for Android Phones).

Note:
If your camera does not respond it may not be compatible. In this case, download the free app "Camera360" and use this camera app with the remote.
