* Samsung received the highest numerical score for refrigerators in the proprietary J.D. Power and Associates 2005-2007, Major Home Appliance Study and 2008-2009 Kitchen Appliance Study™. (2007-2008 received award for satisfaction with side-by-side/French door refrigerators) Study based on 11,701 total responses measuring 13 brands and measures opinions of consumers who purchased refrigerators from a retail store, their new-home builder during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2009. Your experiences may vary. Visit jdpower.com.

20 cu. ft. 33 inch Wide French Door Refrigerator

SAMSUNG

Twin Cooling System®:

Twin Cooling System® uses two evaporators to independently control the temperature of the refrigerator and freezer compartments, maintaining proper humidity levels and preventing odor transfers between compartments.

Surround Air Flow:

Surround Air Flow provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

Power Freeze and Power Cool Options:

Power Freeze and Power Cool Options can be used when foods need to be brought down to a lower temperature quickly or when the temperature inside the refrigerator or freezer compartment needs to be cooled due to repeated door openings.

Internal Digital Display and Control:

Controlling the refrigerator is easy with the internal digital display. It shows the inside temperatures.

Automatic Filtered Ice Maker:

Samsung's ice maker provides filtered ice cubes.

Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.

Refrigerator: 13.3 cu. ft.

- Surround Air Flow
- 2 Humidity Controlled Crispers
- 3 Tempered Glass Shelves
- 5 Opaque Gallon Door Bins

French Door design provides easy access to fresh food and flexible storage options.

Twin Cooling System® uses two evaporators with only one compressor to independently control the temperature in the refrigerator and freezer.

Samsung's ice maker, located in the freezer, provides filtered ice cubes.

EZ-Open Handle™ lifts the handle to open the freezer with no force needed.
