8 kg Sensor Controlled Wifi Connected Heat Pump Tumble Dryer with Steam

Ready to Wear - Ironing your clothes everyday can be tiring. Beko's IronFinish dryers take care of the hassle for you. With the help of steam, casual shirts come out ready to wear* and ironing is easier for business shirts as they are less creased.

*Ready to wear results from independent testing obtained for casual shirts with 100% cotton, 100% polyester, 100% viscose and 56% cotton/44% polyester blend in the Ready to Wear program. Tested by Third Party Lab

Hygienic Drying - The Hygienic Drying Program provides a deep sterilisation of your laundry killing the presence of live house dust mites and pollen. This sterilisation is possible due to the high temperature in this program, offering perfect drying cycles to protect your little one's clothes and delicate skin.

Approved by Allergy UK

Wifi Connectivity - Easily control your tumble dryer from your smartphone with our HomeWhiz technology Wizard. You can also download new programs, customise programs and set them as your favourite . You can also remotely control and monitor your tumble dryer with your device.

Energy Efficient Heat Pump- Quiet, stylish, and sustainable, the 9-Star Heat Pump Dryer is the perfect solution for eco-conscious households looking to cut costs without compromising performance. It dries your clothes gently at lower temperatures, preserving fabric quality and extending garment life. Investing in a 9-Star Heat Pump Dryer not only lowers your electricity bills but also contributes to a more sustainable lifestyle.
