

French Press

Brew time:

4 mins

Servings:

4-6

Brewing Equipment:

• French Press

• Kettle

• Coffee Beans

• Coffee Grinder

Heat Up Water

Water needs to be 200°F - 205°F when starting to pour.

8 tbs.

Measure & Grind

Grind to a coarse grind, similar to that of breadcrumbs.

Pre-infusion

Saturate coffee for 30 seconds, allowing for pre-infusion.

Add More Water

Fill the press to the top, start timer for 4 minutes.

Press

At 4 minutes press plunger all the way down.

Serve & Enjoy

Pour coffee into a separate carafe.
